## **Service Learning Requirement**

Students who were enrolled in grade 9 in 2020-21 and beyond will be required to complete a service learning experience embedded in a core area course. Service learning experiences enable students to learn to apply academic, social and personal skills to improve the community, continue individual growth, and develop a lifelong ethic of service.

## **Early Graduation Application**

## **Additional Diploma Requirements**

### **Community Service (optional)**

Community service is designed to promote civic responsibility through active participation in service experiences to enhance the student's ability and desire to impact the community, to foster a sense of caring for others, and to develop a habit of volunteer service to those in need as a part of the College and Career Readiness initiative. Students must earn 50 hours of community service before graduation.

### **CPR**

### **Industrial Credentials**
