**Suffolk School Board Votes:
Students Will Return to School No Earlier Than January 2021**

On Thursday, November 12, the Suffolk School Board voted 6-1 to delay the student's return to school on a hybrid model until after the SPS winter break. If the Southeastern District health metrics permit, students in grades PreK-5 will return on January 4, and grades 6-12 will return on January 11. Students in the College and Career Academy at Pruden (CCAP) will also return on January 11. The virtual schedule for middle school students during the week of January 4 - 8 will be announced in mid-December.

With a renewed focus on student growth, and to reduce the total number of high stakes testing, the School Board also approved the recommendation to eliminate midterms and final exams for all high school level courses.
