next week Tuesday(2/2)-Thursday(2/4)

Booker T. Washington Elementary School

Reading is "Snow" Much Fun!

January 19, 2021

**Families can read or listen to books
and articles about snow, and
participate in math, art, science and movement
activities all with a SNOW theme.**

*Snow is falling
and books are
calling ...*

Oakland Elementary School

Virtual Zoo Night

January 26, 2021 at 5:00 p.m.

We will be joining the Virginia Zoo for the Virtual Classroom Program: Animal Groups. Students and parents will get to encounter 3 live animals and learn all about them with a zoological team member. We will even be opening up the chat for questions and answers!

Join Zoom Meeting ID: 814 7481 8857
Passcode: 456400

Hillpoint Elementary School

Bookflix Family Presentation

Parents will learn how to navigate Bookflix to support
their children with reading and comprehension of
fiction and nonfiction text.

January 21, 2021 at 6:00 p.m.

We will have a Bookflix Family Presentation by
Scholastic Representative: **Kimber Pennington**

Title I Parent Engagement Activities

January 2021 (continued)

Pioneer Elementary School

Pajama Jam Reading Party

Date: January 12, 2021
6:00 p.m.—7:00 p.m.

Students and parents can wear their pajamas and bring their blankets, pillows, and stuffed animals. It is the perfect time to offer up a fun bedtime story!

We will grab an engaging read-aloud and invite students and their families to join in!

Mack Benn Elementary School

Math & Science Wellness Night

We will post a video of our talk show where the math coach, gifted instructor, and physical education teachers will present activities.

January 12, 2021

(Posted by 6:00 p.m.)

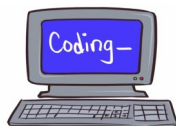

We will host a live chat session for our students and parents on Tuesday(1/12) evening.

Nansemond Parkway Elementary School

The Hour of Code

Tuesday, January 19, 2021
6:30 p.m.

Parents will be surveyed prior to the event to ask for parent volunteers who use code in their day to day lives.

Families will be given information on coding and be able to participate in an hour of code activity. Parents will be surveyed prior to the event to ask for parent volunteers who use code in their day to day lives

Creekside Elementary School

Math Mania Night (pre-recording)

Teachers from each grade level will share strategies for parents to use to help their children with Math.

Our administrators will read math related stories.

A math scavenger hunt will be provided for our families to participate in and share photos with us.

Math Mania Night will be recorded and posted on Creekside Elementary school's website:

January 11, 2021 thru January 25, 2021
