Lakeland High School will host its first ever “White Coat Ceremony” on Wednesday, May 30 at 6:30 p.m. The first cohort of Project Lead the Way (PLTW) Biomedical Sciences students started as freshmen in September 2014 and will graduate next month. They have successfully completed four intense biomedical classes as well as all other requirements of this highly rigorous program. The program has prepared the students for future academic challenges, and offered the opportunity to interact with people in the biomedical field. The PLTW White Coat Ceremony signifies the students’ next step toward careers dedicated to improving America’s health. They will receive their white coats as they leave high school to continue to train for careers in scientific or health-related fields. For details, contact PLTW biomedical sciences teacher Sarah McDonald at 925-5790.

Parents: Don't Wait Until September! State law requires all rising sixth-graders to have a tetanus, diphtheria, pertussis (Tdap) booster shot prior to entry into the sixth-grade. **The Department of Education has advised there will be no grace period allowing school attendance for students who have not obtained the Tdap immunization.** Your child will not be able to start classes until the Tdap shot is verified. Therefore, it is important that your child have this immunization prior to entering school in September. Please review your child's shot record. We ask you to obtain the immunization for your child as soon as possible from your family doctor or local health department and provide a doctor's statement to the school nurse. There is no fee for immunizations obtained at the health department. If your child has had the Tdap immunization within the last five years, he or she does not need to repeat it, but the school must be provided with proof of the immunization from your doctor or local health department. Please send verification information to school as soon as the immunization is obtained. This information will become a part of your child's health folder. As you review your child's immunization record, please keep in mind that this immunization may be listed as T, Td, Dtap and/or Tdap. If you have questions concerning the immunization, please call your doctor or local health department (514-4700).

The 14th Annual Youngstarz Basketball Camp will be held at Nansemond River High School Monday, July 2 through Thursday, July 5 from 8 a.m. to 5 p.m. daily. The camp is for boys and girls currently in grades 2-7 (entering grades 3-8 next school year). The mission of the camp is to teach the fundamental skills needed to play in a game of basketball as well as skills to make you a better student and a better person. Space is limited to 60 attendees. Cost is \$130 per child. Students can bring their lunch or buy lunch. Contact Coach Ed Young at Nansemond River High School at edyoung@spsk12.net for more information.

Suffolk Public Schools will soon begin its summer office hours. The school division will follow a four-day work week, from Monday, June 18 through Thursday, August 16. All buildings will be closed on Fridays. Office hours will be from 7:30 a.m. to 5:30 p.m. Monday through Thursday.

Public Input Wanted on World Language Textbooks... Suffolk Public Schools is collecting public input for an adoption of World Language textbooks for the upcoming school year. The public is welcome to review the considered textbooks at the North Suffolk Public Library and Morgan Memorial Library during regular library hours. Participants may review textbooks and complete the survey linked below to provide feedback prior to the adoption. The survey will be available **until May 23, 2018**. Questions about the adoption process may be directed to Dr. Maria Lawson-Davenport at

davenport@spsk12.net or 757-925-6750. The [World Language Textbook Adoption Public Survey](https://www.surveymonkey.com/r/SuffolkTextbookSurvey) can be found at <https://www.surveymonkey.com/r/SuffolkTextbookSurvey>.

The 2018-2019 Student Transportation Form is available online NOW for currently enrolled students. This form will allow the Transportation Department to properly plan by knowing who is and who is not riding the school bus and where your child will need to be picked up. To access the [2018-19 Transportation Request Form](https://goo.gl/DB7mm2), please visit <https://goo.gl/DB7mm2>. Please complete one form per student at each individual school. If you have any questions or concerns, email kebabaldwin@spsk12.net or annettemclamb@spsk12.net.

Early Start Pre-Screening Applications Now Available ... The Early Start program is for children who turn 4 years old by September 30, 2018 and who need an extra year to prepare for success in kindergarten. Children must be Suffolk residents. Prescreening applications are available on the Suffolk Public Schools website and in each elementary school. Screenings for both child and parent will take place in June. This screening will allow school officials to select children according to their needs. Appointment cards will be mailed to the home address. Eligibility criteria includes but not limited to these factors: Family income at or below 200% of the federal poverty guidelines (or below 350% for students with special needs or disabilities), family homelessness, parents/guardians lack high school diploma, and/or language and development assessment of child. Because Early Start classes are not located in each elementary school, school placement will be determined based on Early Start zoning. Transportation is provided. For questions regarding this program, contact Tomika Doleman at (757) 925-6760.

Hands on Learning

A group of John Yeates Middle School students recently visited WHRO for a tour of the facility and to learn about what it takes to put together a television show. The students had the opportunity to read from a teleprompter, videotape in front of a green screen, and learn about computer coding with the PBS Kids Scratch Jr. mobile app. For more information, contact the school at 923-4105.

In order to prepare for the reading the SOL test, third grade students at Nansemond Parkway Elementary School visited the Rooms of Reading. Students rotated through five classrooms, each with a different theme. They practiced “cause and effect” in the Camp Read-A-Lot Room; main idea, problem/solution and sequencing in the Game Show Room; text features in the Hospital Room; dictionary skills, root words, prefixes and suffixes in the Sports Room; and drawing conclusions in the Forensics Room. As the students completed the activities in each room, they received a punch on their Rooms of Reading punch card. Punch cards with 5 punches were eligible for a raffle. The lucky student from each class whose card was picked received a book, pencils, notebook, highlighter and various other goodies. For more information, contact the school at 923-4167.

Pioneer Elementary School fourth-graders, with the help of the Suffolk Commonwealth Attorney’s Office, participated in a mock trial of Goldie Locks, based on the fairy tale where she visits the three bears. The library was turned into a courtroom and the students had to determine if Goldie Locks was innocent or guilty. She was found guilty, but she was not read her Miranda rights. For more information, contact the school at 925-5782.

Shining Stars

Congratulations to the members of the Lakeland High School choirs, Bella Voce and Cavalier Singers, for a job well done at their recent choral competition. Bella Voce came in second place and Cavalier Singers came in first. For more information, contact the school at 925-5790.
