------------------	------	------------------	--------	-------

Welding
classes prepare
students for
entry-level
employment.

Job Outlook

Employment of welders, cutters, solderers, and brazers is projected to grow 3 percent from 2019 to 2029, about as fast as the average for all occupations. The nation's aging infrastructure will require the expertise of welders, cutters, solderers, and brazers to help rebuild bridges, highways, and buildings.
