

Section 2-1.4. Policy effective date; suspension of policies. — A. Unless otherwise specified in the policy, a new or revised policy becomes effective upon adoption. All regulations are developed by or through the superintendent. They are presented to the School Board as information items, unless the School Board informs the superintendent that it wants to act on a specified regulation.

B. Any policy adopted by the School Board can be suspended for a period of thirty-days by a majority vote by members of the School Board at a publicly held meeting. Any policy suspended by vote of the School Board must be referred to the Policy Review Committee to determine whether the policy should be repealed and/or revised. Policies that are required by either federal or state law cannot be suspended by vote of the School Board.
