SCHOOL BOARD

Heather Howell, Chair

Sean McGee, Vice -Chair

Dawn Marie Brittingham, Ed.D.

Kimberly A. Slingluff

Valerie Fields

Tyron D. Riddick

Karen L. Jenkins

The School Board sets policies and approves the operating budget for the Suffolk Public Schools. Their responsibilities include setting guidelines that assure the proper administration of the educational programs of Suffolk Public Schools. The School Board approves the hiring of staff to administer and execute the Board's current policies and approve the budget that is necessary to meet the goals and objectives and to implement educational programs.

2023 - 2028 STRATEGIC PLAN

DESTINATION 2028: CONNECTION, EDUCATIONAL EXCELLENCE, AND INNOVATION

VISION:

Strive for excellence in education, celebrate diversity, and be committed to students, staff, and the school community.

Students will develop characteristics of a Virginia graduate to include critical thinking, creative thinking, collaboration, communication, citizenship and growth in order to demonstrate academic excellence.

STUDENT ACHIEVEMENT

CLIMATE & CULTURE

Create a dynamic learning environment that promotes high student achievement, stimulates student engagement, supports staff creativity, ensures school safety, and reinforces positive staff and student relationships.

Ensure the effective and efficient management of capital and human resources for the development and retention of high quality staff, sustainable operations, and systems.

HUMAN & FISCAL RESOURCES

COMMUNITY ENGAGEMENT & COMMUNICATION

Increase engagement opportunities for families, school communities, and business partnerships.

MISSION:

- Produce 21st century learners that will become productive citizens in society.
- Foster a dynamic, safe and nurturing learning environment.
- Partner with the school community for the benefit of students and staff.
- Strengthen the school division by employing a highly qualified and diverse staff.
- Effectively and efficiently manage capital and human resources.
- Effectively communicate to increase community investment.

Creating Achievers: From Classroom To Community

SPS to Launch New STEM Academy at Booker T. Washington Elementary School

the Virginia Board of Education approved the establishment of two additional Lab Schools brought forth by Old Dominion University and George Mason University, one of which will reside at Booker T. Washington Elementary School in Suffolk, Fall 2025.

Old Dominion University's proposed Lab School, The STEM Academy at Booker T. Washington Elementary School, is a collaborative partnership between Old Dominion University and Suffolk Public Schools. This partnership centers on a comprehensive integration of STEM education that will be incorporated into hands-on STEM experiences in the elementary curriculum to enhance students' academic proficiency for access and exposure to cultivate a generation of productive citizens equipped with skills and knowledge needed in STEM-related careers. The STEM Academy goals are to design an innovative STEM learning environment for students, create a learning hub for educator preparation and development, and provide a research setting for both university faculty and K-12 educators.

"We are excited to partner with Old Dominion University to create the STEM Academy at Booker T. Washington Elementary School. Together, we will work closely to enhance students' educational experiences in Suffolk Public Schools. Our Lab School will provide hands-on collaboration and engagement in real-world community issues and projects to facilitate cross-curricular instruction, and exposure to new learning opportunities. Using the design-thinking framework and approach to learning, collaboration, and problem-solving, instruction will lay the foundation for future leaders and innovators. By nurturing and helping to cultivate a world of new possibilities for our young minds, we will ignite creativity and curiosity among our students and inspire them to become leaders in STEM fields and beyond," said Dr. Okema Branch, Chief Academic Officer at Suffolk Public Schools.

SPS Serves As A Region Leader in Managing Instructional Materials Inventory

Ensuring that every student and teacher has the necessary textbooks and instructional materials is no small task — one that falls to Latricia Russell-Wilkerson, Textbook Technician for Suffolk Public Schools. Mrs. Russell-Wilkerson's expertise has been instrumental in streamlining our inventory processes, ensuring that every classroom is well-equipped with the necessary teaching materials and making SPS leader in the region for managing instructional materials and inventory management.

Tidewater Education Consortium Announces \$9 Million Grant ...

Suffolk Public Schools is proud to be a part of the Tidewater Education Consortium, with Isle of Wight County Schools and Portsmouth Public Schools, and one of 18 recipients to receive the U.S. Department of Education's Teacher Quality Grant (TQP) of nearly \$9 million. This grant allocation will support division-wide initiatives aimed at growing our own programs for recruiting, preparing, and developing a diverse educator workforce. It will help our school division elevate our current outreach programs to attract candidates from underrepresented backgrounds, and offer scholarships and financial support for aspiring SPS educators.

In addition, The funds will help to support our educator pipeline, mentor programs and help SPS continue to proactively approach the national teacher shortage impacting not only our schools, but schools across the nation.

Suffolk Public Schools is excited for this opportunity, and grateful for this collaborative partnership and look forward to the good work ahead! TEC will work in partnership with the University of Maryland and Norfolk State University to focus their efforts on underserved school districts, especially those in rural areas.

**The Tidewater Consortium is a strategic collaboration among Isle of Wight County Schools, Portsmouth Public Schools, Suffolk Public Schools, Franklin City Public Schools, Norfolk*

State University, the University of Maryland Center for Educational Innovation and Improvement, Paul D. Camp Community College, and Hampton University that is committed to improving academic achievement, teacher quality and leadership within the Tidewater region.

Two Schools Receive the Virginia Board of Education Exemplar Awards

The Virginia Board of Education recognized 141 schools for their high achievement and continued improvement as part of its Exemplar School Recognition Program, and Suffolk Public Schools is proud to announce that Lakeland High School and Oakland Elementary School were recognized.

Oakland Elementary received Highest Achievement Award, which recognizes schools that demonstrate exceptional success across all school quality indicators, including closing achievement gaps and ensuring strong student performance in core subjects. Lakeland High School received the Continuous Improvement Award, which celebrates schools that have shown significant progress over multiple years, reflecting a commitment to academic growth and student success.

Our Mission:

- Produce 21st-century learners that will become productive citizens in society.
- Foster a dynamic, safe, and nurturing learning environment.
- Partner with the school community for the benefit of students and staff.
- Strengthen the school division by employing highly qualified and diverse staff.
- Effectively and efficiently manage capital and human resources.
- Effectively communicate to increase community investment.

Italics denote: opportunities for input on the School Division budget

Legislative Regulations

Code of Virginia, 1950

A county school board is vested with the use and control of all school funds, whether derived from state appropriations, local taxation, or other sources, and has exclusive authority to expend the funds set apart by law for school purposes.

15.2-2503. Time for Preparation and Approval of Budget; Contents. All officers and heads of departments, offices, divisions, boards, commissions, and agencies of every locality shall, on or before the first day of April of each year, prepare and submit to the governing body an estimate of the amount of money needed during the ensuing fiscal year for his department, office, division, board, commission or agency. If such person does not submit an estimate in accordance with this section, the clerk of the governing body or other designated person or persons shall prepare and submit an estimate for that department, office, division, board, commission or agency. The governing body shall prepare and approve a budget for informative and fiscal planning purposes only, containing a complete itemized and classified plan of all contemplated expenditures and all estimated revenues and borrowings for the locality for the ensuing fiscal year. The governing body shall approve the budget and fix a tax rate for the budget year no later than the date on which the fiscal year begins. The governing body shall annually publish the approved budget on the locality's website, if any, or shall otherwise make the approved budget available in hard copy as needed to citizens for inspection.

15.2-2504. What budget is to show. Opposite each item of the contemplated expenditures the budget shall show in separate parallel columns the aggregate amount appropriated during the preceding fiscal year, the amount expended during that year, the aggregate amount appropriated and expected to be appropriated during the current fiscal year, and the increases or decreases in the contemplated expenditures for the ensuing year as compared with the aggregate amount appropriated or expected to be appropriated for the current year. This budget shall be accompanied by:

1. A statement of the contemplated revenue and disbursements, liabilities, reserves and surplus or deficit of the locality as of the date of the preparation of the budget; and
2. An itemized and complete financial balance sheet for the locality at the close of the last preceding fiscal year.

Code of Virginia, 1950 continued,

15.2-2506. Publication and notice; public hearing; adjournment; moneys not to be paid out until appropriated. A brief synopsis of the budget which, except in the case of the school division budget, shall be for informative and fiscal planning purposes only, shall be published once in a newspaper having general circulation in the locality affected, and notice given of one or more public hearings, at least seven days prior to the date set for hearing, at which any citizen of the locality shall have the right to attend and state his views thereon. Any locality not having a newspaper of general circulation may in lieu of the foregoing notice provide for notice by written or printed handbills, posted at such places as it may direct.

The hearing shall be held at least seven days prior to the approval of the budget as prescribed in § 15.2-2503. With respect to the school division budget, which shall include the estimated required local match, such hearing shall be held at least seven days prior to the approval of that budget as prescribed in § 22.1-93. The governing body may adjourn such hearing from time to time. The fact of such notice and hearing shall be entered of record in the minute book. In no event, including school division budgets, shall such preparation, publication and approval be deemed to be an appropriation. No money shall be paid out or become available to be paid out for any contemplated expenditure unless and until there has first been made an annual, semiannual, quarterly or monthly appropriation for such contemplated expenditure by the governing body, except funds appropriated in a county having adopted the county executive form of government, outstanding grants may be carried over for one year without being re-appropriated.

22.1-88. Of What School Funds To Consist. The funds available to the school board of a school division for the establishment, support and maintenance of the public schools in the school division shall consist of state funds appropriated for public school purposes and apportioned to the school board, federal funds appropriated for educational purposes and apportioned to the school board, local funds appropriated to the school board by a local governing body or such funds as shall be raised by local levy as authorized by law, donations or the income arising there from, and any other funds that may be set apart for public school purposes.

22.1-89. Management of Funds. Each school board shall manage and control the funds made available to the school board for public schools and may incur costs and expenses. If funds are appropriated to the school board by major classification as provided in § 22.1-94, no funds shall be expended by the school board except in accordance with such classification without the consent of the governing body appropriating the funds.

22.1-90. Annual Report of Expenditures. Every school board shall submit at least once each year to the governing body or bodies appropriating funds to the school board a report of all its expenditures. Such report shall also be made available to the public either on the

Code of Virginia, 1950 continued,

official school division website, if any, or in hard copy at the central school division office, on a template prescribed by the Board of Education.

22.1-91. Limitation on Expenditures; Penalty. No school board shall expend or contract to expend, in any fiscal year, any sum of money in excess of the funds available for school purposes for that fiscal year without the consent of the governing body or bodies appropriating funds to the school board. Any member of a school board or any division superintendent or other school officer violating, causing to be violated or voting to violate any provision of this section shall be guilty of malfeasance in office.

22.1-92. Estimate of moneys needed for public schools; notice of costs to be distributed.

A. It shall be the duty of each division superintendent to prepare, with the approval of the school board, and submit to the governing body or bodies appropriating funds for the school division, by the date specified in § 15.2-2503, the estimate of the amount of money deemed to be needed during the next fiscal year for the support of the public schools of the school division. The estimate shall set up the amount of money deemed to be needed for each major classification prescribed by the Board of Education and such other headings or items as may be necessary. Upon preparing the estimate of the amount of money deemed to be needed during the next fiscal year for the support of the public schools of the school division, each division Superintendent shall also prepare and distribute, within a reasonable time as prescribed by the Board of Education, notification of the estimated average per pupil cost for public education in the school division for the coming school year to each parent, guardian, or other person having control or charge of a child enrolled in the relevant school division, in accordance with the budget estimates provided to the local governing body or bodies. Such notification shall also include actual per pupil state and local education expenditures for the previous school year.

The notice may also include federal funds expended for public education in the school division. The notice shall be printed on a form prescribed by the Board of Education and shall be distributed separately or with any other materials being currently transmitted to the parents, guardians or other persons having control or charge of students. To promote uniformity and allow for comparisons, the Board of Education shall develop a one-page form for this notice and distribute such form to the school superintendents for duplication and distribution.

B. Before any school board gives final approval to its budget for submission to the governing body, the school board shall hold at least one public hearing to receive the views of citizens within the school division. A school board shall cause public notice to be given at least ten days prior to any hearing by publication in a newspaper having a general circulation within the school division. The passage of the budget by the local government shall be conclusive evidence of compliance with the requirements of this section.

Code of Virginia, 1950 continued,

22.1-93. Approval of Annual Budget for School Purposes. Notwithstanding any other provision of law, including but not limited to Chapter 25 (§ 15.2-2500 et seq.) of Title 15.2, the governing body of a county shall prepare and approve an annual budget for educational purposes by May first or within thirty days of the receipt by the county of the estimates of state funds, whichever shall later occur, and the governing body of a municipality shall prepare and approve an annual budget for educational purposes by May fifteen or within thirty days of the receipt by the municipality of the estimates of state funds, whichever shall later occur. Upon approval, each local school division shall publish the approved annual budget, including the estimated required local match, on the division's website, if any, or if there is no division website, the document shall otherwise be made available in hard copy as needed to citizens for inspection.

The Superintendent of Public Instruction shall, no later than the fifteenth day following final adjournment of the Virginia General Assembly in each session, submit estimates to be used for budgetary purposes relative to the Basic School Aid Formula to each school division and to the local governing body of each county, city and town that operates a separate school division. Such estimates shall be for each year of the next biennium or for the then next fiscal year.

22.1-94. Appropriations by County, City or Town Governing Body for Public Schools. A governing body may make appropriations to a school board from the funds derived from local levies and from any other funds available, for operation, capital outlay and debt service in the public schools. Such appropriations shall be not less than the cost apportioned to the governing body for maintaining an educational program meeting the standards of quality for the several school divisions prescribed as provided by law. The amount appropriated by the governing body for public schools shall relate to its total only or to such major classifications prescribed by the Board of Education pursuant to § 22.1-115. The appropriations may be made on the same periodic basis as the governing body makes appropriations to other departments and agencies.

This page intentionally left blank

EXECUTIVE SUMMARY

Budgeted funds:

Suffolk Public Schools total budget consists of several funds: Operating Fund, Grants Funds, and Food Services Funds. The Operating Fund is the largest fund and supports the daily operational expenses of the district. The Grants Funds consist of federal, state, and privately funded expenses that are targeted to specific populations of students or services. The Food Services Fund is **self-supporting**, this means that it does not require local appropriation dollars to operate. The program is designed to provide our students with breakfast and lunch, some on a free or reduced basis.

BUDGETED FUNDS SUMMARY

	2023-2024 <u>ACTUAL</u>	2024-2025 <u>REVISED</u>	2025-2026 <u>ADOPTED</u>	% <u>Inc/(Decr)</u>
BY FUND-REVENUE:				
OPERATING FUND	\$ 189,670,244	\$ 204,027,374	\$ 216,534,106	6.13%
GRANTS FUND	34,024,881	34,220,000	20,015,000	-41.51%
FOOD SERVICES FUND	7,331,447	10,341,554	10,359,818	0.18%
	\$ 231,026,573	\$ 248,588,928	\$ 246,908,924	-0.68%

SCHOOL BOARD'S ADOPTED BUDGET 2025-2026 Budget Highlights

Revenue Assumptions:

- Based on the Governor's May 2nd signed budget as adopted by the General Assembly. His proposal includes: a 3% raise for staff and total increase of **\$6,703,912**
- Includes further reduction of Special Education regional tuition reimbursement (SECEP) of (\$138,430), 3% raise with change in the Compensation supplement \$2,326,090, increase of \$276,355 for ELL teachers, and reduction in Remedial Summer School (\$176,831), and NET Sales Tax estimate increase of \$606,316; additional Special Education SOQ funding, removal of the Support Cap funding, and additional At-Risk funding
- **Additional appropriation approved by the City in the amount of \$5,859,700** from the City of Suffolk; \$3.3M to support state mandated raise; unfunded state VA Literacy Act curriculum materials, inflation costs, Saturday Academy and Before/After school tutoring continuation, dedicated Athletic trainer, Private carrier costs, additional legal services costs, and increased software costs, for a total appropriation of \$81,191,901. SRO's to be funded by the City without school reimbursement so appropriation request was reduced to reflect this change

Expenditure Assumptions:

- All support staff to receive a total of 3% - 3.5% raise which includes a step on the scales and teachers 5% -5.5% with a starting salary of **\$60,000**;
- Included in the raise are the step raises begin at 1% and graduate to 1.75% for teachers; .5% to 1.0% for support staff, 1% to 1.5% for administrators, and step raises for Bus drivers are 1%; any staff member who is at top of their scale would receive the cost of living adjustment **only**;
- New positions include: Eight Teachers – Four English Language Learning (ELL), one Academic Coach, and one Reading Specialist, one JYMS English, and one NRHS Art; one HR Recruiting Specialist for a total of 11 new positions, less five contracted Facilities and Maintenance positions and .6 Health Services removed position for a net 6.40 increase in full time equivalent positions;
- Funding for 11 SRO's hired by the Police Department will now be housed in the Police department budget instead of being reimbursed by the School Division for 10 months, Absorption of a portion of the All-in State grant money that ends supplemental funding for Summer Remediation, before and after school tutoring, and Saturday Academy. Unfunded VA Literacy Act textbooks and materials, software, and manipulatives that are now required by the State;

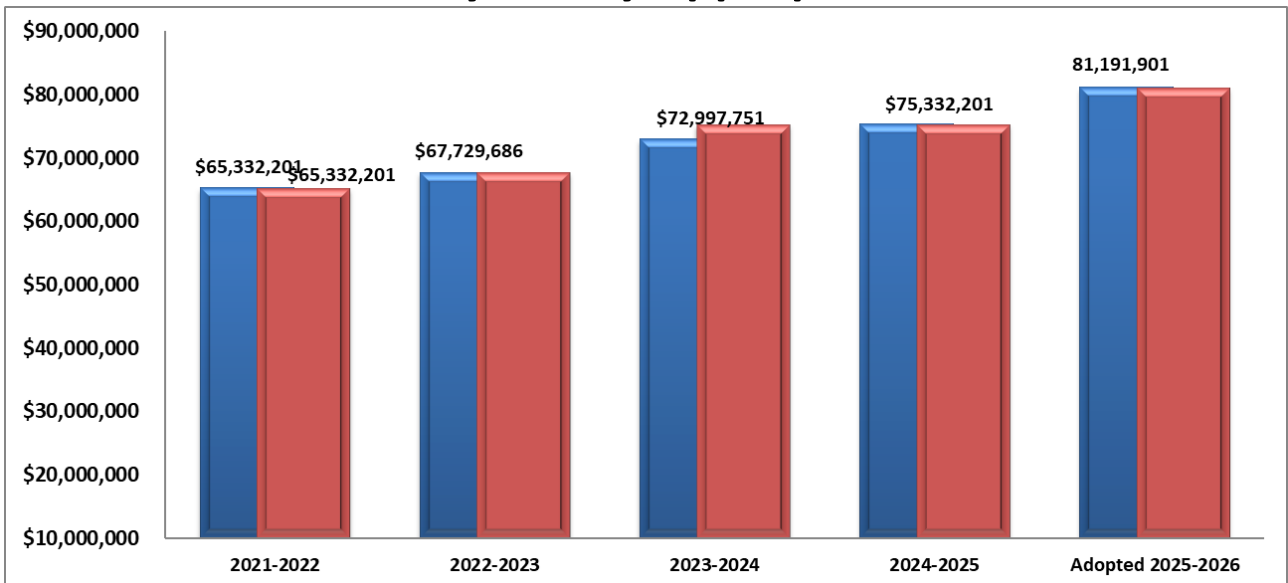

History of State Funding

Average Daily Membership is estimated 13,998 students

History of City Appropriation

Blue = SPS Requested

Red = City of Suffolk Appropriated

Revenue Operating Fund Sources

The largest portion of the School Board's Adopted Budget revenue for the Operating Funds comes from state revenue **61.76%**, with a request to the city for appropriation for 2025-2026 equaling **37.5%** of the operating fund budget. The federal revenue consists of reimbursement from JROTC and Impact Aid and now makes up **.50%** of operating fund approved budget. Finally, other funds that consist of rents, interest, surplus sales and fees make up the smallest portion of the School Board's Adopted Budget 2025-2026 equaling **.24%** of the total.

Note: Grants fund is included in Instruction

Operating Fund cost major category

Compensation and benefits make up **84.51%** of the School Board's Adopted Budget for Operating funds. This plan includes a step increase for all staff based on their scale as published. Employees at the top of the scale will receive a COLA increase. A 3%-3.5% raise will be given to all Full-time staff, Teachers will receive 5%-5.5% inclusive of their step based upon their current year base salary. The Operating cost percentage of operating budget increased from 14.97% to **15.49%** of the School Board's Adopted Budget, mainly due to budget moving from Compensation to Purchased Services for contracted positions like Custodians, Speech Language pathologists, physical therapists, and occupational therapists.

OPERATING EXPENDITURES BY PROGRAM

INSTRUCTION – GENERAL EDUCATION

The regular program includes the instructional activities for all students (grades K - 12). This program must comply with the State Standards of Quality and Standards of Learning. Instructional personnel and supplies are needed to provide the quality of education set by state standards. The elementary program provides for students in grades Pre-kindergarten through grade 5. The elementary school educational experience enables students to acquire the skills and knowledge necessary for academic success. The middle school program provides for students in grades six through eight. The program is designed to meet the unique needs of pre- and early adolescent students. The major goal of the middle school program is to provide the academic and social experiences that will prepare each student to master the Standards of Learning objectives and will assist him/her in making choices about future programs of studies. The high school program provides for students in grades nine through twelve. This program is designed to enable each student to develop his/her maximum potential for success both during and after high school. Students are encouraged to strive for excellence in acquiring basic skills; developing career decision-making skills; qualifying for further education and work; and participating as a responsible member of society. The program of study is varied and extensive to allow appropriate opportunities for the needs of a diversified student population and the demands of a rapidly changing society.

Strategic Targets:

- To provide a program of studies and activities which provide opportunities for all students to develop knowledge, skills, concepts, habits, and attitudes that will enhance their chances for success in school and work by ensuring the integration of academic and college-career readiness skills.
- To provide expanded course offerings needed for student success as related to the graduation requirements which were adopted to correlate with the accreditation standards and to provide increased academic rigor in grades kindergarten to grade 12.
- To provide pupil-teacher ratios in compliance with state needs and federal guidelines.
- To continue to improve academic achievement as demonstrated by student performance on the Standards of Learning Assessments and other standardized tests.
- To continue to strengthen and improve the quality of family involvement in the schools.
- To continue enhancing school-community relations.
- To continue to update and approve School Board policy.
- To continue to implement current technology in the administrative and instructional programs such that technology will be an integrated part of the total school program as is required by the Standards of Learning.
- To continue to obtain and maintain Advanced Ed accreditation.
- To continue emphasis on the achievement of all students.

INSTRUCTION – GENERAL EDUCATION

School Board Goals & Objectives:

Student Achievement: Students will develop characteristics of a Virginia graduate to include critical thinking, creative thinking, collaboration, communication, citizenship and growth in order to demonstrate academic excellence.

- Increase in student achievement as measured by the Virginia Standards of Learning assessments.
- Increase of student achievement as measured by advanced proficiency rates on English, Mathematics, and Science Virginia Standards of Learning assessments.
- Yearly increase in the overall graduation rate for all students.
- Increase in the percentage of students meeting the criteria to be college and career ready as measured by the Virginia Profile of a Graduate.
- Increase in the diversity of students in advanced courses that more closely reflects the demographics of Suffolk Public Schools.
- Expanded options for academic and career development and programming to enhance students' learning and experiences.

Climate & Culture: Create a dynamic learning environment that promotes high student achievement, stimulates student engagement, supports staff creativity, ensures school safety, and reinforces positive staff and student relationships.

- Provide quality facilities by ensuring all schools complete and submit the Monthly Custodial Checklist report and address concerns as needed.
- Decrease the number of out-of-school suspensions by 3% from the previous year by providing positive behavior modification activities at each school.
- Decrease the division drop-out rate by 2% from the previous year.

Human & Fiscal Resources: Ensure the effective and efficient management of capital and human resources for the development and retention of high-quality staff, sustainable operations, and systems.

- Meet the Goals and Objectives of the division-wide Comprehensive Plan and School Improvement Plans for each school year.

Community Engagement & Communication: Increase engagement opportunities for families, school communities, and business partnerships.

- Promote family-school partnerships by providing more opportunities for parent involvement in education and input.
- Develop a consistent systematic approach to surveying various stakeholders to measure satisfaction.
- Implement a structured, division-wide volunteer program to increase parent and community volunteers in schools.

INSTRUCTIONAL – SPECIAL EDUCATION

The Special Education program includes the specialized instructional activities for both elementary and secondary schools, alternative day programs, private schools, public and private day treatment and residential facilities. There has been significant growth in the general education population of the school division during the current school year and it has been predicted that this growth will continue. During the past several years, the special education population has been approximately twelve percent of the general education population in the City of Suffolk. It is anticipated that there will continue to be commensurate increases in the overall number of students with disabilities, with significant increases in the nature and severity of disabling conditions. This program must comply with Article VIII, Section 1 of the Virginia Constitution; Chapter 13, Article 2, Section 22.1-214 of the Code of Virginia; the Regulations Governing Special Education Programs for Children with Disabilities in Virginia; Standards for Accreditation of Schools in Virginia; Individuals with Disabilities Education Act (IDEA); Section 504 of the Rehabilitation Act; the Americans with Disabilities Act and the Virginians with Disabilities Act. Instructional personnel, professional development, supplies, adaptive equipment, and assistive technology devices are needed to provide and improve this program for our students with special needs.

The term "children with disabilities" means those children, who have not graduated from a secondary school or completed a program approved by the Board of Education and have been evaluated, in accordance with IDEA regulations, as having: autism; deaf-blindness; a developmental delay; an emotional disability; a hearing impairment, which may include deafness; an intellectual disability; a learning disability; multiple disabilities; an orthopedic impairment; other health impairment; a speech or language impairment; a traumatic brain injury; or a visual impairment, which may include blindness; who, because of such impairments, are in need of special education and related services and whose second birthday falls on or before September 30th and who have not reached their twenty-second birthday on or before September 30th.

Strategic Targets:

- To comply with the Regulations Governing Special Education Programs for Children with Disabilities in Virginia. This includes maintaining sufficient instructional personnel to meet student-teacher ratios.
- To identify, locate and evaluate all children with suspected disabilities, ages 2 to 21 inclusive
- To provide specially designed instruction, at no cost to the parents, to meet the unique needs of all children with disabilities, ages 2 to 21, including classroom instruction in physical education, homebound instruction and instruction in hospitals, institutions and other settings, in conformity with individualized education programs. The term includes instruction in physical education, speech- language pathology and any other required related services, vocational education, and travel (mobility) training.
- To support all school division personnel in their efforts to provide an appropriate education for every student with a disability.
- To provide properly licensed/trained teachers, therapists, interpreters and support staff according to Virginia Department of Education mandates.

INSTRUCTIONAL – SPECIAL EDUCATION

School Board Goals & Objectives:

Student Achievement: Students will develop characteristics of a Virginia graduate to include critical thinking, creative thinking, collaboration, communication, citizenship and growth in order to demonstrate academic excellence.

- Professional development opportunities will be provided to special education staff and leaders to improve student achievement.
- Monthly special education LEA and teacher professional learning meetings will be held to discuss specific topics to improve challenging academic standards for students with disabilities.
- General and Special Education staff will work collaboratively to incorporate research-based instructional strategies and interventions in daily lessons.

Climate & Culture: Create a dynamic learning environment that promotes high student achievement, stimulates student engagement, supports staff creativity, ensures school safety, and reinforces positive staff and student relationships.

- Teachers, Administrators and Support staff will receive training in the management of aggressive students using positive behavioral supports (PBIS) and other restorative practices.
- Teachers, administrators and support staff will participate in functional behavior assessment (FBA) and behavior intervention plan training provided by the SPS Special Education Department and other vendors such as the Virginia Department of Education.
- Materials and supplies will be purchased to increase appropriate behaviors in the school environment and during community-based instruction i.e., sensory integration materials, social skills curriculum, and verbal and alternative communication curricula.

Human & Fiscal Resources: Ensure the effective and efficient management of capital and human resources for the development and retention of high-quality staff, sustainable operations, and system.

- Teachers and administrators will serve as consultants to the Local Special Education Advisory Committee to encourage two-way communication and build collegiality.
- Monthly Parent Resource Center Newsletter will provide information to increase awareness of resources, training, and materials specific to students with disabilities.
- Monthly administrator and teacher meetings will include topics pertaining to special education issues/concerns to help increase the resolution of concerns in a timely manner.

Community Engagement & Communication: Increase engagement opportunities for families, school communities, and business partnership.

- Each elementary school has assigned a disabilities awareness representative to assist in creating opportunities for students, staff, parents, and the community to participate in activities to increase parental involvement.
- Teachers and administrators will serve as consultants to the Local Special Education Advisory Committee to encourage two-way communication and build collegiality.

INSTRUCTION – SECONDARY CAREER & TECHNICAL EDUCATION

Students may begin career exploration and development in middle and high school through a variety of career and technical education programs. Courses are offered in Agriculture, Business and Information Technology, Career Connections, Health & Medical Sciences, Marketing, Technology Education, and Family & Consumer Sciences to prepare students for careers and continuing education. Additional courses in Business and Information Technology, Health & Medical Sciences, Trades and Industrial Education, and Family & Consumer Sciences are available at The College and Career Academy at Pruden. Funding sources include local funds, state funds (categorical), and Carl Perkins federal entitlements.

Strategic Targets:

- To refine curriculum in each course to reflect state essential competencies and links to Standards of Learning, career exploration and planning resources, Virginia's Workplace Readiness Skills, and All Aspects of Industry.
- To provide industry-based training and certification to career and technical education teachers and students in areas where such certification is available.
- To enhance instruction with industry-standard technology, current textbooks, and other applicable resources.
- To provide pupil-teacher ratios and coordination release time in compliance with state career and technical education regulations.
- To offer opportunities for students and teachers to participate in work-based learning activities.
- To offer programs and services in the career areas for special needs students to meet the requirements for graduation and special diploma/certificate options.
- To provide opportunities for career and technical education teachers to stay abreast of current and future trends in the field through attendance at conferences, workshops, and seminars and participation on state committees.
- To promote and support participation of all co-curricular student organizations at the local, district, regional, state and national levels.
- To continue a middle school career exploration and preparation program with appropriate courses for Grades 6, 7, and 8.

INSTRUCTION – SECONDARY CAREER & TECHNICAL EDUCATION

School Board Goals & Objectives:

Student Achievement: Students will develop characteristics of a Virginia graduate to include critical thinking, creative thinking, collaboration, communication, citizenship and growth in order to demonstrate academic excellence.

- A yearly increase in the overall graduation rate for all students.
- An annual increase in the percentage of students meeting the criteria to be college and career ready as measured by the Virginia Profile of a Graduate.
- An annual increase in the diversity of students in advanced courses that more closely reflects the demographics of Suffolk Public Schools.
- Expanded options for academic and career development and programming to enhance student learning and experiences.

Climate & Culture: Create a dynamic learning environment that promotes high student achievement, stimulates student engagement, supports staff creativity, ensures school safety, and reinforces positive staff and student relationships.

- An annual decrease in the number of discipline referrals and unacceptable behavior.
- A yearly decrease in chronic absenteeism as measured by the Virginia Department of Education standards.
- The annual increase of positive student-teacher and staff interactions that support a culture of high student achievement, positive relationships, improved staff morale, and effective communication for the school community as measured by division climate surveys.

Human & Fiscal Resources: Ensure the effective and efficient management of capital and human resources for the development and retention of high-quality staff, sustainable operations, and systems.

- A yearly SPS Board Review of staff perceptions of morale as measured by the annual Climate Survey.
- Targeted professional learning and collaboration for all staff to support student achievement and division effectiveness as measured by division climate surveys.

INSTRUCTION – SECONDARY CAREER & TECHNICAL EDUCATION

Community Engagement & Communication: Increase engagement opportunities for families, school communities, and business partnerships.

- Promote business-school partnerships by providing more opportunities for businesses and SPS schools to collaborate with assisting students with the successful transitions with academic and career development.
- Increase in community engagement and participation as measured by booster clubs, parent-teacher associations, advisory groups, and other indicators.
- Promote business-school partnerships by providing more opportunities for businesses and SPS schools to collaborate with assisting students with the successful transitions with academic and career development.
- The expansion of stakeholder communication modalities and reach as measured by division, school information portals.

INSTRUCTION – GIFTED AND TALENTED

The Gifted and Talented Programs are designed to identify students with exceptional academic ability and to provide differentiated services beyond the regular educational program to meet their needs. The programs extend from elementary school through high school. In the earlier years, the focus is on enrichment programs to meet the advanced maturity levels of students. As the students progress through elementary and middle school, the lessons are more advanced, planned to support such skills as critical thinking, creative problem-solving, developing independent research skills, and stimulating creativity. Students are also provided the opportunity for accelerated coursework in Math and Science. Once students enter high school, they are encouraged to challenge themselves through honors, Advanced Placement, and dual credit courses. In addition, auxiliary programs offered through the Governor's School provide opportunities for students to enroll in summer academic academies, foreign language immersion programs, and year-long courses designed for the gifted visual and performing arts student.

Strategic Targets:

- To deliver educational services through differentiated instruction to intellectually gifted and artistically and musically talented students.
- To increase the number of underrepresented student populations eligible for gifted services.

School Board Goals & Objectives:

Student Achievement: *Students will develop characteristics of a Virginia graduate to include critical thinking, creative thinking, collaboration, communication, citizenship and growth in order to demonstrate academic excellence.*

- An annual increase in student achievement as measured by the Virginia Standards of Learning assessments.
- An annual increase of student achievement as measured by advanced proficiency rates on the English, Mathematics, and Science Virginia Standards of Learning Assessments.
- An annual increase in the percentage of students meeting the criteria to be college and career ready as measured by the Virginia Profile of a Graduate.
- An annual increase in the diversity of students in advanced courses that more closely reflects the demographics of Suffolk Public Schools.
- Expanded options for academic and career development and programming to enhance student learning and experiences.

INSTRUCTION – GIFTED AND TALENTED

Climate & Culture: *Create a dynamic learning environment that promotes high student achievement, stimulates student engagement, supports staff creativity, ensures school safety, and reinforces positive staff and student relationships.*

- An annual decrease in the number of discipline referrals and unacceptable behavior.
- A yearly decrease in chronic absenteeism as measured by the Virginia Department of Education standards.
- A measurable decrease in incidents of bullying and cyberbullying each year.
- The annual increase of positive student-teacher and staff interactions that support a culture of high student achievement, positive relationships, improved staff morale, and effective communication for the school community as measured by division climate surveys.

Human & Fiscal Resources: *Ensure the effective and efficient management of capital and human resources for the development and retention of high-quality staff, sustainable operations, and systems.*

- A yearly SPS Board Review of staff perceptions of morale as measured by the annual Climate Survey.
- An annual increase in staff retention.
- Targeted professional learning and collaboration for all staff to support student achievement and division effectiveness as measured by division climate surveys.

Community Engagement & Communication: *Increase engagement opportunities for families, school communities, and business partnerships.*

- The annual increase in positive perceptions about SPS services as measured by climate surveys.
- The yearly increase in community participation in the Community Leadership Program.
- The expansion of stakeholder communication modalities and reach as measured by division, school information portals.

INSTRUCTION –HIGH SCHOOL SPECIALTY PROGRAMS

Four high school specialty programs offer unique opportunities for success by providing learning experiences that foster college and career readiness.

Project Lead the Way Biomedical Science

The **Biomedical Science Program** at Lakeland High School provides a rigorous academic environment in which students prepare for 21st century careers and professions in the Health and Medical Sciences. This program empowers students to explore and find solutions to some of today's most pressing and medical challenges. Through scaffolded activities that connect learning to life, students step into the role of biomedical science professionals and investigate topics including human medicine, physiology, genetics, microbiology, and public health. Students work together in teams to find unique solutions, and in the process, learn in-demand, transferable skills to include critical thinking and communication. Additionally, the program includes partnerships with private and public health care professionals and facilities for the placement of students as interns in clinical research programs and provides opportunities for job shadowing, volunteer service, and mentoring.

International Baccalaureate

The **International Baccalaureate Program**, offered at Kings Fork High School, is advanced, comprehensive program of study, offering an integrated approach to learning across the disciplines. Many colleges and universities view the IB Diploma Program as the most compelling course of study a student can pursue. Such universities have offered extensive credit and/or preferential admissions consideration to IB diploma candidates. Recognized worldwide, the IB Diploma Program's in-depth approach to academic disciplines fosters skills that will remain with the students for their lifetime.

Project Lead the Way Engineering

The **Engineering Program** housed at Nansemond River High School empowers students to step into the role of an engineer, adopt a problem-solving mindset, and make the leap from dreamers to doers. Courses engage students in compelling, real-world challenges that help them become better collaborators and thinkers. From launching space explorations to delivering safe, clean water to communities, engineers find solutions to pressing problems and turn their ideas into reality. The program centers on developing better problem-solving skills by immersing students in real-world engineering problems that teach them how to collaborate effectively and work as a team. This program offers a hands-on approach to learning science, technology, engineering and math by exposing students to the latest software and equipment used by industry, colleges and universities. Students are provided multiple opportunities to experience engineering and other technology - based careers before college.

Center for Performance and Production Arts

The **Center for Performance and Production Arts Program** at Lakeland High School provides an innovative integrated fine arts program to develop student agency and knowledge of performance and production of arts in the areas of music technology, vocal and instrumental music, theatre, and visual arts. All programs have a performance and production pathway. Key areas of focus for the program are: hands-on application of skills; cross discipline collaboration; content creation and promotion; college and career readiness; public performance; marketing and entrepreneurship.

INSTRUCTION –HIGH SCHOOL SPECIALTY PROGRAMS

School Board Goals & Objectives:

Student Achievement: *Students will develop characteristics of a Virginia graduate to include critical thinking, creative thinking, collaboration, communication, citizenship and growth in order to demonstrate academic excellence.*

- Increase in student achievement as measured by the Virginia Standards of Learning assessments.
- Increase of student achievement as measured by advanced proficiency rates on English, Mathematics, and Science Virginia Standards of Learning assessments.
- Yearly increase in the overall graduation rate for all students.
- Increase in the percentage of students meeting the criteria to be college and career ready as measured by the Virginia Profile of a Graduate.
- Increase in the diversity of students in advanced courses that more closely reflects the demographics of Suffolk Public Schools.
- Expanded options for academic and career development and programming to enhance students learning and experiences.

INSTRUCTIONAL - DIAGNOSTICIANS

The Educational Diagnostician Program includes services to school personnel, students and families of elementary and secondary schools, private schools and public and private day treatment and residential facilities. This program must comply with the federal mandates in "Individuals with Disabilities Education Act" (IDEA) and the Regulations Governing Special Education Programs for Children with Disabilities in Virginia. Educational Diagnosticians' supplies and equipment are needed to provide and improve this program for our students.

Strategic Targets:

- To prepare educational performance assessments of children suspected of or identified with having a disabling condition.
- To interpret the achievement and diagnostic test results during the eligibility process.
- To provide instructional assistance in development and monitoring intervention plans.
- To assist teachers with academic and behavioral interventions.
- To offer indirect services to students with disabilities.

School Board Goals & Objectives:

Student Achievement: Students will develop characteristics of a Virginia graduate to include critical thinking, creative thinking, collaboration, communication, citizenship and growth in order to demonstrate academic excellence.

- An annual increase in student achievement as measured by the Virginia Standards of Learning assessments.
- An annual increase of student achievement as measured by advanced proficiency rates on the English, Mathematics, and Science Virginia Standards of Learning Assessments.
- A yearly increase in the overall graduation rate for all students.
- An annual increase in the percentage of students meeting the criteria to be college and career ready as measured by the Virginia Profile of a Graduate.
- An annual increase in the diversity of students in advanced courses that more closely reflects the demographics of Suffolk Public Schools.
- Expanded options for academic and career development and programming to enhance student learning and experiences.

Climate & Culture: Create a dynamic learning environment that promotes high student achievement, stimulates student engagement, supports staff creativity, ensures school safety, and reinforces positive staff and student relationships.

- An annual decrease in the number of discipline referrals and unacceptable behavior.
- A yearly decrease in chronic absenteeism as measured by the Virginia Department of Education standards.
- Improved school safety procedures and protocols as measured by annual safety audits, student discipline, and climate surveys.
- A measurable decrease in incidents of bullying and cyberbullying each year.
- The annual increase of positive student-teacher and staff interactions that support a culture of high student achievement, positive relationships, improved staff morale, and effective communication for the school community as measured by division climate surveys.

INSTRUCTIONAL - DIAGNOSTICIANS

Human & Fiscal Resources: *Ensure the effective and efficient management of capital and human resources for the development and retention of high-quality staff, sustainable operations, and systems.*

- A yearly SPS Board Review of staff perceptions of morale as measured by the annual Climate Survey.
- Targeted professional learning and collaboration for all staff to support student achievement and division effectiveness as measured by division climate surveys.

Community Engagement & Communication: *Increase engagement opportunities for families, school communities, and business partnerships.*

- The annual increase in positive perceptions about SPS services as measured by climate surveys.
- The expansion of stakeholder communication modalities and reach as measured by division, school information portals.

INSTRUCTION – NON-REGULAR DAY SCHOOL

The Summer Program includes instructional activities for students in all schools who need additional remediation. Instructional personnel and supplies, food services, and transportation services are needed to provide and improve this program for our students. In addition to remediation services, the program may also play a significant role in promotion and retention decisions by providing an opportunity for students to complete mastery of Standards of Learning objectives where mastery was not demonstrated during the regular school year. The High school program for grades 9-12 includes repeat and new course offerings for students in the high schools. On-time Graduation requirements make summer school increasingly important. Summer school offerings will also make it possible for students to attend such programs as the Governor's School and The College and Career Academy at Pruden.

Strategic Targets:

- To provide a continuous quality, comprehensive instructional program in grades K-5 for students who did not fully master the Standards of Learning objectives during the regular academic year.
- To provide an instructional bridge for those students who need help meeting new academic performance standards. These students will be identified by their failure to demonstrate proficiency on the Standards of Learning as measured by the assessments mandated by the State Standards of Accreditation.
- To provide a program of studies and activities which will provide opportunities for all students to develop knowledge, skills, concepts, habits, and attitudes that will enhance their chances for success in education and work.
- To provide a means of promotion to the next grade for those students who fail a single core academic subject.
- To provide an opportunity for students to take required or elective courses, related to the graduation requirements, in order to increase student opportunities for diverse program selection (e.g. Governor's School, The College and Career Academy at Pruden).
- To provide an opportunity for students to repeat courses in which they were not successful during the regular school year such that they are able to remain on the appropriate grade level.

School Board Goals and Objectives:

Student Achievement: *Students will develop characteristics of a Virginia graduate to include critical thinking, creative thinking, collaboration, communication, citizenship and growth in order to demonstrate academic excellence.*

- An annual increase in student achievement as measured by the Virginia Standards of Learning assessments.
- An annual increase of student achievement as measured by advanced proficiency rates on the English, Mathematics, and Science Virginia Standards of Learning Assessments.
- Yearly increase in the overall graduation rate for all students.
- Decrease the division drop-out rate by 2% from the previous year.

INSTRUCTION – NON-REGULAR DAY SCHOOL

Human & Fiscal Resources: Ensure the effective and efficient management of capital and human resources for the development and retention of high-quality staff, sustainable operations, and systems.

- Summer teachers and staff will participate in targeted professional development activities focused on remediation and acceleration instructional strategies and interventions.

Community Engagement & Communication: Increase engagement opportunities for families, school communities, and business partnerships.

- Promote family-school partnerships by providing more opportunities for parent involvement in education and input.

INSTRUCTIONAL EXTENDED SCHOOL YEAR PROGRAM –SPECIAL EDUCATION

The summer extended school year program (ESY) for elementary and secondary students with disabilities includes approximately four to five weeks of half-day services. The extended school year activities include programs for all disabilities, all ages and all levels of severity. Services include classroom instruction, transportation, and related services. This program must comply with the Standards of Accreditation of Schools in Virginia; Individuals with Disabilities Education Act (IDEA); Regulations Governing Special Education Programs for Children with Disabilities in Virginia; Section 504 of the Rehabilitation Act; the Americans with Disabilities Act and the Virginians with Disabilities Act.

Strategic Targets:

- To provide special education and related services to those students with disabilities requiring services in excess of the normal school year in order to receive a free appropriate public education.
- To provide appropriate extended school year services when the benefits a disabled child gains during the regular school year will be significantly jeopardized if the child is not provided with an educational program during the summer months.
- To assist a student's progress toward becoming an independent and successful adult as articulated in the goals of their current Individualized Education Program (IEP).

School Board Goals & Objectives:

Student Achievement: Students will develop characteristics of a Virginia graduate to include critical thinking, creative thinking, collaboration, communication, citizenship and growth in order to demonstrate academic excellence.

- Professional development opportunities will be provided via face-to face, webinars, and professional literature to teaching staff and administrators on strategies to improve student achievement for students with disabilities.
- Teacher meetings will be held before and during ESY to discuss specific topics to improve challenging academic standards and performance on IEP goals for students with disabilities.
- General and Special Education staff will work collaboratively to incorporate research-based strategies and interventions in daily lessons.

INSTRUCTIONAL EXTENDED SCHOOL YEAR PROGRAM –SPECIAL EDUCATION

Climate & Culture: Create a dynamic learning environment that promotes high student achievement, stimulates student engagement, supports staff creativity, ensures school safety, and reinforces positive staff and student relationships.

- Teachers, Administrators and Support staff will receive training in the management of aggressive students using positive behavioral supports (PBIS) and other restorative practices.
- Teachers, Administrators and Support staff will promote appropriate behaviors in the classroom and throughout the building by enforcing the use of social skills.
- Materials and supplies will be purchased to increase appropriate behaviors in the school environment and during community-based instruction i.e., sensory integration materials, social skills curriculum, and verbal and alternative communication curricula.

Human & Fiscal Resources: Ensure the effective and efficient management of capital and human resources for the development and retention of high-quality staff, sustainable operations, and systems.

- Special education teachers will participate in targeted professional development activities focused on instructional strategies and interventions.

Community Engagement & Communication: Increase engagement opportunities for families, school communities, and business partnerships.

- The ESY administrator will include topics during ESY teacher meetings pertaining to special education to help increase the resolution of staff and parental concerns in a timely manner.
- Teachers and administrators will serve as consultants to the Local Special Education Advisory Committee to encourage two-way communication and build collegiality.
- Teachers will maintain consistent oral and written communication with parents during ESY to promote mutual respect, support and civility.

INSTRUCTION – INTERVENTION, PREVENTION, AND REMEDIATION

Formerly Alternative education, this program has several components. Each component is part of a comprehensive effort to meet the instructional needs of students who may be considering or at risk for leaving school before graduating because of lack of school-related success. Factors considered in the process of identifying these students include: number of retentions, standardized test performance, age, teacher recommendations, academic achievement, discipline history and psychological information (if available). There are two categories: academic and behavioral. Each area has the same ultimate goal – to reduce the number of students dropping out and increase the success rate of all students of Suffolk Public Schools.

The Program consists of three basic behavioral components:

The Behavioral Daytime School serves those students who have been removed from the regular school environment because of disciplinary infractions other than those involving injury or threat of injury to others. If successful during their assigned tenure, students may return to the regular instructional program within the same academic year.

The Tidewater Regional Alternative Education Program is a cooperative effort with five other school divisions in the area. This program serves serious offenders who are returning from state correctional facilities where they had been committed for offenses involving drugs, weapons, or personal assaults. This program may also serve students who have been recommended for long-term suspensions of 90 days or more.

Work Plus is a cooperative program in which Suffolk Public Schools students served at the College and Career Academy at Pruden. This Program is for high school students (age 17 and above) who have not yet earned five credits.

Individualized Student Alternative Education Plan: (ISAE) is an alternative education program designed for those students who are at least 16 years old and who are at risk of dropping out or not accumulating enough credits to graduate from high school.

Strategic Targets:

- The successful re-assimilation of students into the regular instructional program. This goal is most appropriate for those students who are identified and served earliest.
- The provision of alternative methods of earning a high school education. This will include the General Equivalency Diploma and career-technical preparation.

School Board Goals & Objectives:

Student Achievement: Students will develop characteristics of a Virginia graduate to include critical thinking, creative thinking, collaboration, communication, citizenship and growth in order to demonstrate academic excellence.

- An annual increase in student achievement as measured by the Virginia Standards of Learning assessments.
- A yearly increase in the overall graduation rate for all students.
- An annual increase in the percentage of students meeting the criteria to be college and career ready as measured by the Virginia Profile of a Graduate.

INSTRUCTION – INTERVENTION, PREVENTION, AND REMEDIATION

Climate & Culture: *Create a dynamic learning environment that promotes high student achievement, stimulates student engagement, supports staff creativity, ensures school safety, and reinforces positive staff and student relationships.*

- An annual decrease in the number of discipline referrals and unacceptable behavior.
- A yearly decrease in chronic absenteeism as measured by the Virginia Department of Education standards.
- A measurable decrease in incidents of bullying and cyberbullying each year.
- The annual increase of positive student-teacher and staff interactions that support a culture of high student achievement, positive relationships, improved staff morale, and effective communication for the school community as measured by division climate surveys.

Human & Fiscal Resources: *Ensure the effective and efficient management of capital and human resources for the development and retention of high-quality staff, sustainable operations, and systems.*

- Targeted professional learning and collaboration for all staff to support student achievement and division effectiveness as measured by division climate surveys.

Community Engagement & Communication: *Increase engagement opportunities for families, school communities, and business partnerships.*

- The annual increase in positive perceptions about SPS services as measured by climate surveys.
- The yearly increase in community participation in the Community Leadership Program.
- An annual increase in the number of community and family engagements and participation as measured by digital interactions and in-person events.
- The expansion of stakeholder communication modalities and reach as measured by division, school information portals.

INSTRUCTION – THE COLLEGE AND CAREER ACADEMY AT PRUDEN (CCAP)

Adult Education offers comprehensive adult courses that will enable adults to improve basic skills, earn high school credit, increase/improve job skills, or enhance personal enrichment. Classes are scheduled at various hours during the day and evening. Classes are also taught at several businesses (for employees of that business) throughout the city.

Strategic Targets:

- To provide adult basic education classes for adults functioning below the eighth (8th) grade level to enable them to function with survival literacy and/or enter the General Education Development (GED) classes.
- To provide general adult classes for high school credit to adults who did not complete a high school diploma.
- To provide classes to enable adults to learn skills for seeking and/or keeping a job or for planning a career.
- To provide classes for personal enrichment or improvement.
- To provide classes or instruction to agencies, businesses/organizations, and individuals who have specialized needs.
- Continue operating the Center for Lifelong Learning at CCAP for the afternoon and evening adult programs and GED testing.
- Continue to pay night school administrators to plan and supervise the comprehensive General Adult Education Program, and Adult Basic Education Program, and vocational/community classes. Provide pay for 12 months so that summer classes may be offered.
- Establish adult classes on site to serve workplace or city agency demands (Planters, VDOT, Western Tidewater Regional Jail, Sentara Obici, SRHA, QVC, Ciba Corp (part of the BASF Group) and others as needed).
- Establish adult classes that will enable the adults to become retrained to meet the changing demands of industry.
- Offer classes that will train adults with entry-level technical skills and job keeping skills.

School Board Goals & Objectives:

Student Achievement: *Students will develop characteristics of a Virginia graduate to include critical thinking, creative thinking, collaboration, communication, citizenship and growth in order to demonstrate academic excellence.*

- A yearly increase in the overall graduation rate for all students.
- An annual increase in the percentage of students meeting the criteria to be college and career ready as measured by the Virginia Profile of a Graduate.
- Expanded options for academic and career development and programming to enhance student learning and experiences.

INSTRUCTION – THE COLLEGE AND CAREER ACADEMY AT PRUDEN (CCAP)

School Board Goals & Objectives:

Climate & Culture: Create a dynamic learning environment that promotes high student achievement, stimulates student engagement, supports staff creativity, ensures school safety, and reinforces positive staff and student relationships.

- A yearly increase in the overall graduation rate for all students.
- An annual increase in the percentage of students meeting the criteria to be college and career ready as measured by the Virginia Profile of a Graduate.
- Expanded options for academic and career development and programming to enhance student learning and experiences.

Community Engagement & Communication: Increase engagement opportunities for families, school communities, and business partnerships.

- The expansion of stakeholder communication modalities and reach as measured by division, school information portals.

INSTRUCTION – VIRGINIA PRESCHOOL INITIATIVE

The elementary Early Start program is a pre-kindergarten intervention program for four-year old children who have been identified to receive additional intensive interventions early in their educational career in order to achieve academic success. Instructional personnel, supplies, equipment, food services, and transportation services are needed to provide this program.

Strategic Targets:

- To provide a quality instructional program for four - year -old children.

School Board Goals & Objectives:

Student Achievement: *Students will develop characteristics of a Virginia graduate to include critical thinking, creative thinking, collaboration, communication, citizenship and growth in order to demonstrate academic excellence.*

- An annual increase in student achievement as measured by the Virginia Standards of Learning assessments.
- An annual increase of student achievement as measured by advanced proficiency rates on the English, Mathematics, and Science Virginia Standards of Learning Assessments.
- A yearly increase in the overall graduation rate for all students.
- An annual increase in the percentage of students meeting the criteria to be college and career ready as measured by the Virginia Profile of a Graduate.
- An annual increase in the diversity of students in advanced courses that more closely reflects the demographics of Suffolk Public Schools.

Climate & Culture: *Create a dynamic learning environment that promotes high student achievement, stimulates student engagement, supports staff creativity, ensures school safety, and reinforces positive staff and student relationships.*

- A yearly decrease in chronic absenteeism as measured by the Virginia Department of Education standards.
- An annual increase in the number of staff and student wellness and safety supports and programming.
- The annual increase of positive student-teacher and staff interactions that support a culture of high student achievement, positive relationships, improved staff morale, and effective communication for the school community as measured by division climate surveys.

Community Engagement & Communication: *Increase engagement opportunities for families, school communities, and business partnerships.*

- The annual increase in positive perceptions about SPS services as measured by climate surveys.
- An annual increase in the number of community and family engagements and participation as measured by digital interactions and in-person events.
- The expansion of stakeholder communication modalities and reach as measured by division, school information portals.

INSTRUCTION – VIRGINIA PRESCHOOL INITIATIVE

Human & Fiscal Resources: *Ensure the effective and efficient management of capital and human resources for the development and retention of high-quality staff, sustainable operations, and systems.*

- An annual increase in staff retention.
- Targeted professional learning and collaboration for all staff to support student achievement and division effectiveness as measured by division climate surveys.

Community Engagement & Communication: *Increase engagement opportunities for families, school communities, and business partnerships.*

- The annual increase in positive perceptions about SPS services as measured by climate surveys.
- The yearly increase in community participation in the Community Leadership Program.
- An annual increase in the number of community and family engagements and participation as measured by digital interactions and in-person events.
- The annual increase in community engagement and participation as measured by booster clubs, parent-teacher associations, advisory groups, and other indicators.
- The expansion of stakeholder communication modalities and reach as measured by division, school information portals.

INSTRUCTIONAL SUPPORT - SCHOOL COUNSELOR SERVICES

The guidance program is designed to help students achieve self-understanding and self-direction necessary to make informed decisions through setting and attaining personal goals. The program focuses on the complete development of individual students through a series of services designed to maximize school learning, stimulate career development, and respond to personal and social concerns that inhibit individual growth. This is actually a cooperative enterprise involving the participation of teachers, administrators, other educational specialists and parents.

Strategic Targets:

- To provide assistance to students to gain a knowledge base to maximize their academic abilities, including strengths, and educational needs and interests.
- To assist students with curriculum alternatives available for their career goals.
- To improve assistance to students in planning a balanced program of studies.
- To help students acquire and refine problem solving/decision making, and coping skills.
- To help students become increasingly self-directed and responsible.
- To provide information and opportunities to parents and the community on educational programs and services.
- To provide study skills strategies to improve performance on all standardized tests.
- To continually emphasize the importance of doing well academically and staying in school.

School Board Goals & Objectives:

Student Achievement: *Students will develop characteristics of a Virginia graduate to include critical thinking, creative thinking, collaboration, communication, citizenship and growth in order to demonstrate academic excellence.*

- An annual increase in student achievement as measured by the Virginia Standards of Learning assessments.
- An annual increase of student achievement as measured by advanced proficiency rates on the English, Mathematics, and Science Virginia Standards of Learning Assessments.
- Ensure all high schools continue to meet or exceed the Virginia Department of Education's Graduation Completion Index (GCI) rate of 88.

INSTRUCTIONAL SUPPORT - SCHOOL COUNSELOR SERVICES

School Board Goals & Objectives:

Climate & Culture: Create a dynamic learning environment that promotes high student achievement, stimulates student engagement, supports staff creativity, ensures school safety, and reinforces positive staff and student relationships.

- An annual decrease in the number of discipline referrals and unacceptable behavior.
- Improved school safety procedures and protocols as measured by annual safety audits, student discipline, and climate surveys
- Decrease the number of out-of-school suspensions by 3% from the previous year by providing positive behavior modification activities at each school
- Decrease the division drop-out rate by 2% from the previous year

Human & Fiscal Resources: Ensure the effective and efficient management of capital and human resources for the development and retention of high-quality staff, sustainable operations, and systems.

- Targeted professional learning and collaboration for all staff to support student achievement and division effectiveness as measured by division climate surveys
- An annual increase in staff retention
- Provide relevant professional development opportunities that focus on differentiated instruction rigor and as determined by increased academic performance in the following content areas: English, Math, Science, and History

Community Engagement & Communication: Increase engagement opportunities for families, school communities, and business partnerships.

- Promote family-school partnerships by providing more opportunities for parent involvement in education and input
- Develop a consistent systematic approach to surveying various stakeholders to measure satisfaction
- Implement a structured, division-wide volunteer program to increase parent and community volunteers in the schools

INSTRUCTIONAL SUPPORT - SOCIAL WORKERS

The School Social Worker Program includes services to school personnel, students and families of elementary and secondary schools, private schools and public and private day treatment and residential facilities. This program must comply with the federal mandates in "Individuals with Disabilities Education Act: (IDEA), and the Regulations Governing Special Education Programs for Children with Disabilities in Virginia. Home School Liaisons and School Social Workers' equipment and supplies are needed to provide and improve this program for our students.

Strategic Targets:

- To prepare socio-cultural assessments of children suspected of or identified with having a disabling condition
- To interpret the results of the socio-cultural assessment during the eligibility process
- To provide group and individual counseling with children and families
- To work with those problems in a child's living situations (home, school and community) that affect the child's adjustment in school
- To mobilize school and community resources to enable children to receive maximum benefits from their educational program
- To offer consultation to school personnel and parents

School Board Goals & Objectives:

Student Achievement: Students will develop characteristics of a Virginia graduate to include critical thinking, creative thinking, collaboration, communication, citizenship and growth in order to demonstrate academic excellence.

- An annual increase in student achievement as measured by the Virginia Standards of Learning assessments.
- An annual increase of student achievement as measured by advanced proficiency rates on the English, Mathematics, and Science Virginia Standards of Learning Assessments.
- A yearly increase in the overall graduation rate for all students.
- An annual increase in the percentage of students meeting the criteria to be college and career ready as measured by the Virginia Profile of a Graduate.

Climate & Culture: Create a dynamic learning environment that promotes high student achievement, stimulates student engagement, supports staff creativity, ensures school safety, and reinforces positive staff and student relationships.

- The annual increase in positive perceptions about SPS services as measured by climate surveys.
- School Social Workers will provide training in the management of aggressive students using positive behavioral supports (PBIS)
- School social workers, teachers, administrators and support staff will participate in functional behavior assessment (FBA) and behavior intervention plan (BIP) training
- School Social Workers will participate in crisis counseling and intervention services as needed
- An Annual decrease in the number of discipline referrals and unacceptable behavior

INSTRUCTIONAL SUPPORT - SOCIAL WORKERS

School Board Goals & Objectives:

Human & Fiscal Resources: *Ensure the effective and efficient management of capital and human resources for the development and retention of high-quality staff, sustainable operations, and systems.*

- Targeted professional learning and collaboration for all staff to support student achievement and division effectiveness as measured by division climate surveys.
- School Social Workers will participate in meetings and conferences to provide families information to increase awareness of resources, training, and materials specific to students with disabilities.
- School Social Workers will participate in monthly support service team (SST) meetings which will include topics pertaining to special education issues/concerns to help increase the resolution of concerns in a timely manner.

Community Engagement & Communication: *Increase engagement opportunities for families, school communities, and business partnerships.*

- School Social Workers will assist disability history and awareness committee members in creating opportunities for student, staff, parents, and the community to participate in activities to increase parental involvement.
- School Social Workers will serve as consultant to the Local Special Education Advisory Committee (SEAC) as needed to encourage two-way communication and build collegiality.
- School Social Workers will work closely with schools and parents to encourage parental involvement in meetings, conferences, and their child's attendance at school.

INSTRUCTIONAL SUPPORT - HOMEBOUND

The Homebound Program includes the instructional activities for all elementary and secondary schools, private schools and public and private day treatment and residential facilities. This program must comply with Article VIII, Section 1 of the Virginia Constitution; Chapter 13, Article 2, Section 22.1-214 of the Code of Virginia; the Regulations Governing Special Education Programs for Children with Disabilities in Virginia; Standards for Accreditation of Schools in Virginia; Individuals with Disabilities Education Act (IDEA); Section 504 of the Rehabilitation Act; and the Americans with Disabilities Act and the Virginians with Disabilities Act. These standards require that homebound instruction be made available to students who are confined for periods that would prevent normal school attendance for health or behavioral reasons. Instructional personnel provide services for this program to serve our students in need of homebound instruction.

Strategic Targets:

- To provide continuity of educational services between the classroom and home or health care facility for students whose medical needs, both physical and psychiatric, do not allow school attendance for a limited period of time.
- To supplement the classroom program for health impaired children whose conditions may interfere with consistent attendance; or children with disabilities that prevent regular school attendance.
- To facilitate the student's return to the current classroom setting
- To provide continuity of educational services for students with disabilities whose behavioral needs contraindicate school attendance.

School Board Goals & Objectives:

Student Achievement: Students will develop characteristics of a Virginia graduate to include critical thinking, creative thinking, collaboration, communication, citizenship and growth in order to demonstrate academic excellence.

- Increase the number of schools fully accredited.
- Increase the number of students meeting the English Standards of Learning benchmark.
- Increase the number of students meeting the Math Standards of Learning benchmark.
- Ensure all high schools continue to meet or exceed the Virginia Department of Education's Graduation Completion Index (GCI) rate of 88 in order to demonstrate academic excellence.

Human & Fiscal Resources: Ensure the effective and efficient management of capital and human resources for the development and retention of high-quality staff, sustainable operations, and systems.

- Meet the Goals and Objectives of the division-wide Strategic Plan and School Improvement Plans for each school year.

Community Engagement & Communication: Increase engagement opportunities for families, school communities, and business partnerships.

- Promote family-school partnerships by providing more opportunities for parent involvement in education and input.

INSTRUCTIONAL SUPPORT - PROFESSIONAL LEARNING

The Professional Learning Program includes activities designed to foster continuous personal and professional growth for instructional and non-instructional personnel. This program must comply with the Virginia Standards of Quality, the Standards of Learning, and the Standards of Accreditation. College course work, instructional workshops and institutes, instructors, consultants, supplies and materials are needed to provide this program for instructional improvement and teacher retention. This program works closely with the Human Resources Department in preparing and mentoring new teachers and providing teachers and staff with the resources needed to grow professionally.

Strategic Targets:

- Assure successful student performance on the Standards of Learning assessments which determines a school's state accreditation status.
- Demonstrate high achievement and performance on school assessments, attendance, discipline, and other indicators on the School Performance Report Card.
- Reduce the need for remediation or bridge programs for students.
- Implement instructional strategies that allow all students to achieve the Standards of Learning objectives and earn verified units of credit.
- Incorporate teaching strategies which most effectively utilize the time available for instruction established by the school schedule.
- Support new teachers and teacher assistants to enhance their skills and knowledge of learning to support the instructional program.
- Support mentors of new teachers during their induction period promoting teacher retention.

School Board Goals & Objectives:

Student Achievement: Students will develop characteristics of a Virginia graduate to include critical thinking, creative thinking, collaboration, communication, citizenship and growth in order to demonstrate academic excellence.

- Provide support to new teachers through division and building-led professional learning and mentor programs to increase teacher retention.
- Support attendance for conferences and workshops that focus on instructional strategies, curriculum, classroom and behavior management, and leadership strategies for administrators, coordinators, and teachers.

Climate & Culture: Create a dynamic learning environment that promotes high student achievement, stimulates student engagement, supports staff creativity, ensures school safety, and reinforces positive staff and student relationships.

- Support and provide beginning teachers and others with classroom management strategies through division and building-led professional development sessions.
- Provide classroom management strategies to all instructional staff through various modalities.
- Explore initiatives to provide professional learning to parents on learning strategies to increase student achievement.

INSTRUCTIONAL SUPPORT - PROFESSIONAL LEARNING

Human & Fiscal Resources: *Ensure the effective and efficient management of capital and human resources for the development and retention of high-quality staff, sustainable operations, and systems.*

- Support administrators through web-based professional learning to develop and maintain professional learning communities.
- Provide needs assessment to instructional and support personnel for input of courses, workshops and other professional learning.

Community Engagement & Communication: *Increase engagement opportunities for families, school communities, and business partnerships.*

- Maintain Staff Learning blog to inform instructional and support staff of professional learning activities to improve skills to assure students achieve high performance on assessments.
- Collaborate with colleges and universities to obtain maximum professional learning for instructional and support staff through coursework.

INSTRUCTIONAL SUPPORT - CURRICULUM DEVELOPMENT

The K-12 Instructional Resource Development process includes the incorporation of activities to establish, implement, and maintain a process for ongoing resource development, alignment, and evaluation. The outcome of the program must comply with the Virginia Standards of Learning, the Standards of Quality and Standards of Accreditation assessment. Demands on all standardized testing programs are considered. Instructional personnel, consultants, supplies, and materials are needed to provide for the correlation of instructional standards to the needs of the students and expectations of the community.

Strategic Targets:

- To establish priorities of subjects for instructional resource development and alignment that will assure successful student performance on the SOL assessments.
- To provide a written instructional guide and SOL assessments for the following disciplines:
 - Mathematics
 - English
 - Literature
 - Science
 - Social Studies
 - Foreign Language
 - Health and Family Life
 - Fine and Performing Arts
 - International Baccalaureate Diploma Program
- Support effective teaching and learning to maximize student success by:
 - Building teacher capacity in effective and engaging tier one instruction through professional development
 - Supporting data-driven instructional decisions
 - Supporting the creation of aligned instructional resources and balanced assessments
 - Supporting effective enrichment and remediation intervention strategies
 - Promoting authentic and relevant learning opportunities
 - Collect information from all area teachers

INSTRUCTIONAL SUPPORT - CURRICULUM DEVELOPMENT

School Board Goals & Objectives:

Student Achievement: *Students will develop characteristics of a Virginia graduate to include critical thinking, creative thinking, collaboration, communication, citizenship and growth in order to demonstrate academic excellence.*

- Increase in student achievement as measured by the Virginia Standards of Learning assessments.
- Increase of student achievement as measured by advanced proficiency rates on English, Mathematics, and Science Virginia Standards of Learning assessments.
- Yearly increase in the overall graduation rate for all students.
- Increase in the percentage of students meeting the criteria to be college and career ready as measured by the Virginia Profile of a Graduate.
- Increase in the diversity of students in advanced courses that more closely reflects the demographics of Suffolk Public Schools.
- Expanded options for academic and career development and programming to enhance students learning and experiences.

Climate & Culture: *Create a dynamic learning environment that promotes high student achievement, stimulates student engagement, supports staff creativity, ensures school safety, and reinforces positive staff and student relationships.*

- *The annual increase of positive student-teacher and staff interactions that support a culture of high student achievement, positive relationships, improved staff morale, and effective communication for the school community as measured by division climate surveys.*

Community Engagement & Communication: *Increase engagement opportunities for families, school communities, and business partnerships.*

- The annual increase in positive perceptions about SPS services as measured by climate surveys.
- The expansion of stakeholder communication modalities and reach as measured by division, school information portals.

INSTRUCTIONAL SUPPORT – MEDIA SERVICES

Media Services include the programs, printed and non-printed materials and equipment, available to each of the school media centers. Each center is staffed with professional personnel with appropriate endorsements.

Strategic Targets:

- To provide students with the skills essential to the effective use of a media center.
- To provide students and teachers with materials and other resources to enhance and extend the instructional program.
- To provide state of the art technology to assist students in their research and to educate students in the use of such technology.
- To provide students with the materials and resources necessary for independent study.

School Board Goals & Objectives:

Student Achievement: Students will develop characteristics of a Virginia graduate to include critical thinking, creative thinking, collaboration, communication, citizenship and growth in order to demonstrate academic excellence.

- An annual increase in student achievement as measured by the Virginia Standards of Learning assessments.
- An annual increase of student achievement as measured by advanced proficiency rates on the English, Mathematics, and Science Virginia Standards of Learning Assessments.
- An annual increase in the percentage of students meeting the criteria to be college and career ready as measured by the Virginia Profile of a Graduate.
- An annual increase in the diversity of students in advanced courses that more closely reflects the demographics of Suffolk Public Schools.
- Expanded options for academic and career development and programming to enhance student learning and experiences.

Climate & Culture: Create a dynamic learning environment that promotes high student achievement, stimulates student engagement, supports staff creativity, ensures school safety, and reinforces positive staff and student relationships.

- The annual increase of positive student-teacher and staff interactions that support a culture of high student achievement, positive relationships, improved staff morale, and effective communication for the school community as measured by division climate surveys.

Community Engagement & Communication: Increase engagement opportunities for families, school communities, and business partnerships.

- The annual increase in positive perceptions about SPS services as measured by climate surveys.
- The expansion of stakeholder communication modalities and reach as measured by division, school information portals.

INSTRUCTIONAL SUPPORT SERVICES

The Instructional Support categories include the offices of the Chief Academic Officer (CAO) and the Chief of Administrative Services (CAS). These positions and support personnel provide division-wide leadership in their respective educational service areas.

Strategic Targets:

- To provide leadership in all instructional programs, including curriculum design and instructional improvement.
- To assure the highest professional standards for administrators, teachers and support personnel.
- To provide the necessary resources to enhance school programs throughout the division.
- To achieve the optimal pupil-teacher ratio in all programs.
- To review all available sources of grant funds, apply for grants that will benefit our educational programs and assure that all grant funds are expanded appropriately and efficiently.

School Board Goals & Objectives:

Student Achievement: Students will develop characteristics of a Virginia graduate to include critical thinking, creative thinking, collaboration, communication, citizenship and growth in order to demonstrate academic excellence.

- Increase the number of schools fully accredited.
- Increase the number of students meeting the English Standards of Learning benchmark.
- Increase the number of students meeting the Math Standards of Learning benchmark.
- Ensure all high schools continue to meet or exceed the Virginia Department of Education's Graduation Completion Index (GCI) rate of 88.

Climate & Culture: Create a dynamic learning environment that promotes high student achievement, stimulates student engagement, supports staff creativity, ensures school safety, and reinforces positive staff and student relationships.

- Provide quality facilities by ensuring all schools complete and submit the Monthly Custodial Checklist report and address concerns as needed.
- Decrease the number of out-of-school suspensions by 3% from the previous year by providing positive behavior modification activities at each school.
- Decrease the division drop-out rate by 2% from the previous year.

Human & Fiscal Resources: Ensure the effective and efficient management of capital and human resources for the development and retention of high-quality staff, sustainable operations, and systems.

- Meet the Goals and Objectives of the division-wide Strategic Plan and School Improvement Plans for each school year.

INSTRUCTIONAL SUPPORT SERVICES

School Board Goals & Objectives:

Human & Fiscal Resources continued:

- Provide relevant professional development opportunities that focus on differentiated and rigorous instruction as determined by increased academic performance in the following content areas: English, Math, Science, and History.

Community Engagement & Communication: Increase engagement opportunities for families, school communities, and business partnerships.

- Promote family-school partnerships by providing more opportunities for parent involvement in education and input.
- Develop a consistent systematic approach to surveying various stakeholders to measure satisfaction.
- Implement a structured, division-wide volunteer program to increase parent and community volunteers in the schools.
- All Special education teachers will participate in district wide vertical planning to support a differentiated philosophy in literacy.

NOTE: Student Services has been separated from Instructional Support and given its' own program page. The description and school board goals remain the same as Instructional Support.

INSTRUCTIONAL SUPPORT – PRINCIPAL’S OFFICE

The Principal’s Office provides leadership for the instructional program within the school building. Through the efforts of this office, the teachers, students and parents in grades Pre-K through 12 work together to implement a quality comprehensive instructional program for all students. State and Federal standards have placed increased responsibility on the principal to achieve the objectives listed below. These standards emphasize the principal's role as the instructional leader.

Strategic Targets:

- To continue to improve academic achievement as demonstrated by student performance on the State Assessment Program, standardized tests, and the Scholastic Achievement Test.
- To provide a quality program of student support services that includes guidance in career planning that helps students prepare for the academic rigor of high school and beyond.
- To provide a quality staff development program that enhances and correlates to the instructional program.
- To provide staff development activities focused on providing teachers with the varied instructional strategies needed to assure student success on assessments of the Standards of Learning.
- To take all steps necessary to assure a safe learning environment in each school.
- To improve school discipline.
- To improve school-community relations.

School Board Goals & Objectives:

Student Achievement: *Students will develop characteristics of a Virginia graduate to include critical thinking, creative thinking, collaboration, communication, citizenship and growth in order to demonstrate academic excellence.*

- An annual increase in student achievement as measured by the Virginia Standards of Learning assessments.
- An annual increase of student achievement as measured by advanced proficiency rates on the English, Mathematics, and Science Virginia Standards of Learning Assessments.
- A yearly increase in the overall graduation rate for all students.
- An annual increase in the percentage of students meeting the criteria to be college and career ready as measured by the Virginia Profile of a Graduate.
- An annual increase in the diversity of students in advanced courses that more closely reflects the demographics of Suffolk Public Schools.
- Expanded options for academic and career development and programming to enhance student learning and experiences.

INSTRUCTIONAL SUPPORT – PRINCIPAL’S OFFICE

School Board Goals & Objectives:

Climate & Culture: *Create a dynamic learning environment that promotes high student achievement, stimulates student engagement, supports staff creativity, ensures school safety, and reinforces positive staff and student relationships.*

- An annual decrease in the number of discipline referrals and unacceptable behavior.
- An annual increase in student participation in extracurricular activities at the elementary and secondary levels.
- A yearly decrease in chronic absenteeism as measured by the Virginia Department of Education standards.
- Improved school safety procedures and protocols as measured by annual safety audits, student discipline, and climate surveys.
- A measurable decrease in incidents of bullying and cyberbullying each year.
- An annual increase in the number of staff and student wellness and safety supports and programming.
- The annual increase of positive student-teacher and staff interactions that support a culture of high student achievement, positive relationships, improved staff morale, and effective communication for the school community as measured by division climate surveys.

Human & Fiscal Resources: *Ensure the effective and efficient management of capital and human resources for the development and retention of high-quality staff, sustainable operations, and systems.*

- Targeted professional learning and collaboration for all staff to support student achievement and division effectiveness as measured by division climate surveys.

Community Engagement & Communication: *Increase engagement opportunities for families, school communities, and business partnerships.*

- The annual increase in positive perceptions about SPS services as measured by climate surveys.
- The yearly increase in community participation in the Community Leadership Program.
- An annual increase in the number of community and family engagements and participation as measured by digital interactions and in-person events.
- The annual increase in community engagement and participation as measured by booster clubs, parent-teacher associations, advisory groups, and other indicators.
- The expansion of stakeholder communication modalities and reach as measured by division, school information portals.

INSTRUCTIONAL SUPPORT – PRINT SHOP

The Print Shop is a support branch of the school system instructional programs. The Print Shop provides printing services for all schools, support offices, as well as other supporting organizations and city departments. The Print Shop supplies these organizations with printed materials at the lowest possible cost.

Strategic Targets:

- To provide the schools and instructional support staff with instructional materials needed for student learning.
- To provide printed materials and supportive help to all administrative offices and support personnel.
- To provide the public with neatly organized professional quality material about our school system, including information about the instructional programs.

School Board Goals & Objectives:

Student Achievement: Students will develop characteristics of a Virginia graduate to include critical thinking, creative thinking, collaboration, communication, citizenship and growth in order to demonstrate academic excellence.

- Expanded options for academic and career development and programming to enhance student learning and experiences.

Human & Fiscal Resources: Ensure the effective and efficient management of capital and human resources for the development and retention of high-quality staff, sustainable operations, and systems.

- An annual review of completed school facilities and maintenance projects for efficiency and cost-effectiveness.
- A yearly SPS Board Review of staff perceptions of morale as measured by the annual climate survey.

Community Engagement & Communication: Increase engagement opportunities for families, school communities, and business partnerships.

- The expansion of stakeholder communication modalities and reach as measured by division, school information portals.

ADMINISTRATION -BOARD SERVICES

The School Board serves as the policy making body for all public education programs in the City of Suffolk. The Board is composed of seven members, one representing each borough of the City.

Strategic Targets:

- To monitor population growth and continue to assess and update the Capital Improvement Plan and to continue to ensure that adequate facilities exist for students and support operations.
- To continue to improve academic achievement as demonstrated by student performance on standardized tests, Scholastic Aptitude Test (SAT), and American College Testing (ACT).
- To continue to create a safe learning environment whereby students take responsibility for their own actions.
- To continue to encourage parental involvement in the schools.
- To continue enhancing school-community relations, strengthening the partnership with City Council and other governmental agencies, and strengthening the partnership with existing industry and the department of economic development.
- To continue to update School Board policy.
- To continue to maintain accreditation by the Commonwealth of Virginia and by the Southern Association of Colleges and Schools.
- To continue to implement and assess the evaluation plans for all licensed employees.
- To continue implementation of the character education program.
- To continue a limited athletic program among the middle schools.
- To continue the employee recognition program.
- To continue to implement and assess a comprehensive staff-development plan, that assures Para- professionals maintain a high level of instructional competency.
- To continue to monitor and refine alternative education program options with focus on development and implementation of a daytime program to serve as an alternative to long-term suspension.

School Board Goals & Objectives:

Student Achievement: Students will develop characteristics of a Virginia graduate to include critical thinking, creative thinking, collaboration, communication, citizenship and growth in order to demonstrate academic excellence.

- An annual increase in student achievement as measured by the Virginia Standards of Learning assessments.
- An annual increase of student achievement as measured by advanced proficiency rates on the English, Mathematics, and Science Virginia Standards of Learning Assessments.
- A yearly increase in the overall graduation rate for all students.
- An annual increase in the percentage of students meeting the criteria to be college and career ready as measured by the Virginia Profile of a Graduate.

ADMINISTRATION - BOARD SERVICES

Student Achievement continued:

- An annual increase in the diversity of students in advanced courses that more closely reflects the demographics of Suffolk Public Schools.
- Expanded options for academic and career development and programming to enhance student learning and experiences.

Climate & Culture: Create a dynamic learning environment that promotes high student achievement, stimulates student engagement, supports staff creativity, ensures school safety, and reinforces positive staff and student relationships.

- An annual decrease in the number of discipline referrals and unacceptable behavior.
- An annual increase in student participation in extracurricular activities at the elementary and secondary levels.
- A yearly decrease in chronic absenteeism as measured by the Virginia Department of Education standards.
- Improved school safety procedures and protocols as measured by annual safety audits, student discipline, and climate surveys.
- A measurable decrease in incidents of bullying and cyberbullying each year.
- An annual increase in the number of staff and student wellness and safety supports and programming.
- The annual increase of positive student-teacher and staff interactions that support a culture of high student achievement, positive relationships, improved staff morale, and effective communication for the school community as measured by division climate surveys.

Human & Fiscal Resources: Ensure the effective and efficient management of capital and human resources for the development and retention of high-quality staff, sustainable operations, and systems.

- An annual review of completed school facilities and maintenance projects for efficiency and cost-effectiveness.
- A yearly SPS Board Review of staff perceptions of morale as measured by the annual Climate Survey.
- An annual increase in staff retention.
- Annual external audits of local, state, and federal financial operations.
- Targeted professional learning and collaboration for all staff to support student achievement and division effectiveness as measured by division climate surveys.

Community Engagement & Communication: Increase engagement opportunities for families, school communities, and business partnerships.

- The annual increase in positive perceptions about SPS services as measured by climate surveys.
- The yearly increase in community participation in the Community Leadership Program.
- An annual increase in the number of community and family engagements and participation as measured by digital interactions and in-person events.
- The annual increase in community engagement and participation as measured by booster clubs, parent-teacher associations, advisory groups, and other indicators.
- The expansion of stakeholder communication modalities and reach as measured by division, school information portals.

ADMINISTRATION LEGAL SERVICES

The School Board Attorney is the chief legal advisor of the Board, the Superintendent and staff and all school administrators in matters affecting the interest of the school division. The School Board attorney represents the school division in civil and criminal procedures and performs other functions as required by the School Board and the Superintendent.

Strategic Targets:

- To provide timely legal advice to the School Board, the Superintendent and staff and all school administrators.
- To develop, review and revise legally valid administrative procedures for ensuring compliance of school division activities with all legal requirements.
- To direct and manage litigation on behalf of the school division.
- To assist and advise the School Board on School Board policy interpretation, updates and revisions.
- To advise and represent the school division on legal matters pertaining to compliance with all federal, state and local laws relating to students and employees, including workers' compensation and other liability claims.
- To prepare and/or review operating and construction contracts.
- To advise and represent the school division on legal matters pertaining to the procurement of all commodities and services.
- To maintain professional training and information to advise the School Board and staff on all legal issues in a timely manner.

School Board Goals & Objectives:

Climate & Culture: Create a dynamic learning environment that promotes high student achievement, stimulates student engagement, supports staff creativity, ensures school safety, and reinforces positive staff and student relationships.

Human & Fiscal Resources: Ensure the effective and efficient management of capital and human resources for the development and retention of high-quality staff, sustainable operations, and systems.

ADMINISTRATION

OFFICE OF THE SUPERINTENDENT

The Executive Administration category includes the Superintendent's Office and Office of the Assistant Superintendent for Administrative Services. These positions and support personnel provide division-wide leadership for all educational services in the City of Suffolk. Administrative expenditures also include such items as consulting services in areas such as policy development, legal services and insurance.

Strategic Targets:

- To administer policy and procedures fairly and consistently.
- To establish and implement plans to meet the short-term and long-term goals approved by the School Board.
- To assure the highest professional standards for administrators, teachers and support personnel.
- To provide the necessary resources and facilities to enhance school programs throughout the division.
- To achieve the optimal pupil-teacher ratio in all programs.

School Board Goals & Objectives:

Student Achievement: *Students will develop characteristics of a Virginia graduate to include critical thinking, creative thinking, collaboration, communication, citizenship and growth in order to demonstrate academic excellence.*

Climate & Culture: *Create a dynamic learning environment that promotes high student achievement, stimulates student engagement, supports staff creativity, ensures school safety, and reinforces positive staff and student relationships.*

Human & Fiscal Resources: *Ensure the effective and efficient management of capital and human resources for the development and retention of high-quality staff, sustainable operations, and systems.*

Community Engagement & Communication: *Increase engagement opportunities for families, school communities, and business partnerships.*

ADMINISTRATION - COMMUNICATION AND COMMUNITY ENGAGEMENT

The Community engagement program includes the division's outreach efforts to the public through publications, special events, media relations, website outreach, cable television, video presentations, public speaking and community service. The Community engagement program helps the community understand how Suffolk Public Schools strives to provide each student with the best possible education. In addition, the program seeks to gain expanded community support for students, through the mentoring program, the partners-in-education program, and the Suffolk Education Foundation. The program also works to build a relationship between the division and the community which fosters effective two-way communication that features feedback from the public. The audiences served through this program include students, parents, business leaders, government leaders, and all other citizens.

Strategic Targets:

- To develop the school division's outreach programs, publications, social media, and website into more informative and interactive tools for potential newcomers' current parents, staff, and others.
- To increase community engagement.
- To increase parent involvement and parent satisfaction.
- To provide additional opportunities for community input.
- To improve the Partners-In-Education program.
- To strengthen the division-wide Volunteer program.

School Board Goals & Objectives:

Student Achievement: Students will develop characteristics of a Virginia graduate to include critical thinking, creative thinking, collaboration, communication, citizenship and growth in order to demonstrate academic excellence.

- An annual increase in student achievement as measured by the Virginia Standards of Learning assessments.

Community Engagement & Communication: Increase engagement opportunities for families, school communities, and business partnerships.

- The annual increase in positive perceptions about SPS services as measured by climate surveys.
- The yearly increase in community participation in the Community Leadership Program.
- An annual increase in the number of community and family engagements and participation as measured by digital interactions and in-person events.
- The annual increase in community engagement and participation as measured by booster clubs, parent-teacher associations, advisory groups, and other indicators.
- The expansion of stakeholder communication modalities and reach as measured by division, school information portals.

ADMINISTRATION HUMAN RESOURCES

The Human Resources Department is responsible for planning, coordinating, and supervising the human resource program for all employees of Suffolk Public Schools. The focus of the department is human resource planning, recruitment, selection, placement, licensure, and appraisal of personnel. Resources are used for salaries and benefits for the leadership and support necessary to administer the program and include non-salary expenditures such as travel, recruitment fees, supplies, and equipment.

Strategic Targets:

- To attract, develop, retrain, and motivate personnel in order to achieve the district's goals.
- To assist employees in achieving a high level of performance.
- To direct the recruitment program for professional and support employees.
- To recruit and employ highly qualified applicants for all vacancies.
- To counsel employees concerning extended leave and employee benefits.
- To secure and maintain licenses for all professional personnel.
- To plan and implement a program that provides computerized personnel services for all employees.
- To develop evaluation instruments for all employees.
- To maintain open communication with all employees.
- To administer federally mandated drug and alcohol testing programs.
- To plan recognition programs for all employees.
- To administer the Employee Assistance Program.

School Board Goals & Objectives:

Student Achievement: *Students will develop characteristics of a Virginia graduate to include critical thinking, creative thinking, collaboration, communication, citizenship and growth in order to demonstrate academic excellence.*

- An annual increase in student achievement as measured by the Virginia Standards of Learning assessments.
- An annual increase of student achievement as measured by advanced proficiency rates on the English, Mathematics, and Science Virginia Standards of Learning Assessments.

Climate & Culture: *Create a dynamic learning environment that promotes high student achievement, stimulates student engagement, supports staff creativity, ensures school safety, and reinforces positive staff and student relationships.*

- An annual decrease in the number of discipline referrals and unacceptable behavior.
- The annual increase of positive student-teacher and staff interactions that support a culture of high student achievement, positive relationships, improved staff morale, and effective communication for the school community as measured by division climate surveys.

ADMINISTRATION HUMAN RESOURCES

School Board Goals & Objectives:

Human & Fiscal Resources: *Ensure the effective and efficient management of capital and human resources for the development and retention of high-quality staff, sustainable operations, and systems.*

- An annual review of completed school facilities and maintenance projects for efficiency and cost-effectiveness.
- A yearly SPS Board Review of staff perceptions of morale as measured by the annual climate survey.
- An annual increase in staff retention.

Community Engagement & Communication: *Increase engagement opportunities for families, school communities, and business partnerships.*

- The annual increase in positive perceptions about SPS services as measured by climate surveys.
- The yearly increase in community participation in the Community Leadership Program.

ADMINISTRATION -FINANCE

The Finance Department is responsible for the financial planning of the School Board; the development of the operating and capital budgets, and subsequent budget monitoring; the timely and accurate recording of financial transactions of the School Board and school activity funds including payroll, accounts payable, accounts receivable, fixed assets, and general ledger accounting. This includes financial reporting, insurance administration, and financial activity monitoring. Finance provides leadership in the procurement of equipment, supplies, and contracted services. Finance also controls the primary computer system to provide various automated services to other departments, including financial and payroll data as well as human resources information. These services are provided to the School Board, the Superintendent, the Administrative and Operational Departments and the school principals.

Strategic Targets:

- To provide a complete financial system which the School Board can use as a tool to plan the best educational programs possible in the upcoming years as well as long into the future.
- To seek new sources of revenue and more efficient methods of doing business which may be used to improve the educational programs and to allocate and assist program managers to maximize their allocations to benefit all students.
- To provide timely and accurate recording of financial transactions and to provide the School Board and all departments with information to assist them in meeting their goals.
- To continuously improve computerized financial systems resulting in more efficient and effective use of available resources and allow the School Board and Superintendent to make operational decisions with the best information available.

School Board Goals & Objectives:

Human & Fiscal Resources: *Ensure the effective and efficient management of capital and human resources for the development and retention of high-quality staff, sustainable operations, and systems.*

- Annual external audits of local, state, and federal financial operations.

Community Engagement & Communication: *Increase engagement opportunities for families, school communities, and business partnerships.*

- The annual increase in positive perceptions about SPS services as measured by climate surveys.

ADMINISTRATION PURCHASING

The Purchasing Department provides a centralized system for the procurement of materials, supplies, equipment, professional and non-professional services, insurance and construction in accordance with School Board Policies, local, state and federal rules, regulations and laws

Strategic Targets:

- To maintain and improve a centralized purchasing system for the entire school district, including all schools and departments.
- To develop modern procedures to gather product and service needs of the district, summarize purchase requirements, and obtain the best value for the appropriate quality of required commodities.
- To coordinate the receipt of products and timely distribution to all schools and departments.
- To assure that all schools, departments, and support offices conduct procurement activities in compliance with School Board Policies, local and state rules, regulations, and laws.
- To support further automation of centralized processing of requisitions and electronic purchases.
- To continue to improve the effectiveness and efficiencies of procurement methods and procedures.
- To provide effective contract administration for all term contracts and agreements.
- To maintain a contract log and tracking system for contracts, agreements, and deeds of real property.
- To continuously strive to maximize the best value of public dollars expended for goods and services.
- To seek providers of goods and services in the most efficient and effective manner from vendors and contractors in the community.
- To implement and maintain an organized process for the disposal of surplus property.

School Board Goals & Objectives:

Climate & Culture: Create a dynamic learning environment that promotes high student achievement, stimulates student engagement, supports staff creativity, ensures school safety, and reinforces positive staff and student relationships.

- The annual increase in positive perceptions about SPS services as measured by climate surveys.

Human & Fiscal Resources: Ensure the effective and efficient management of capital and human resources for the development and retention of high-quality staff, sustainable operations, and systems.

- Annual external audits of local, state, and federal financial operations.
- Targeted professional learning and collaboration for all staff to support student achievement and division effectiveness as measured by division climate surveys.

ADMINISTRATION PURCHASING

School Board Goals & Objectives:

Community Engagement & Communication: Increase engagement opportunities for families, school communities, and business partnerships.

- The annual increase in positive perceptions about SPS services as measured by climate surveys.
- The expansion of stakeholder communication modalities and reach as measured by division, school information portals.

HEALTH SERVICES

The Health Services program assists in providing the fullest possible educational opportunity for each student by minimizing absences due to illness and creating a climate of health and well-being.

Strategic Targets:

- To assist in developing the school health program.
- To conduct school screenings, including physical examinations, immunizations, and screening tests as defined by state and federal regulations.
- To refer students that need medical care.
- To report to parents, school personnel, physicians and other agencies on school health matters compliance with School Board policies, local and state rules, regulations and laws.
- To observe students on a regular basis to detect health needs of students.
- To assume responsibility in the absence of a physician, for the first aid care of a student or staff member who has suffered injury or emergency illness.
- To advise modifications of the educational program to meet health needs of students.
- To assist school personnel in establishing sanitary conditions in schools.
- To develop and maintain up-to-date cumulative health records on all students and report to teachers those students with special health problems.
- To provide specialized care to chronically ill and disabled students.
- To develop and maintain an Employee Health Program.

School Board Goals & Objectives:

Climate & Culture: Create a dynamic learning environment that promotes high student achievement, stimulates student engagement, supports staff creativity, ensures school safety, and reinforces positive staff and student relationships.

- An annual increase in the number of staff and student wellness and safety supports and programming.

PSYCHOLOGY SERVICES

The Psychological Services Program includes services to school personnel, students and families of all elementary, middle and high schools, the alternative day program, private schools and public and private day treatment and residential facilities. This program must comply with the federal mandates in "Individuals with Disabilities Education Act" (IDEA) and the Regulations Governing Special Education Programs for Children with Disabilities in Virginia. School psychologists' supplies and equipment are needed to provide and improve this program for our students.

Strategic Targets:

- To administer psychological and educational tests and other assessment procedures to students with disabilities and students suspected of having disabilities.
- To interpret assessment results during the eligibility process.
- To obtain, integrate and interpret information about child behavior and conditions relating to learning.
- To consult with other staff members in planning school programs to meet the special needs of children as indicated by psychological tests, interviews and behavioral evaluations.
- To plan, manage and implement a program of psychological services, including psychological counseling, for children and parents.

School Board Goals & Objectives:

Student Achievement: Students will develop characteristics of a Virginia graduate to include critical thinking, creative thinking, collaboration, communication, citizenship and growth in order to demonstrate academic excellence.

- Expanded options for academic and career development and programming to enhance student learning and experiences.

Climate & Culture: Create a dynamic learning environment that promotes high student achievement, stimulates student engagement, supports staff creativity, ensures school safety, and reinforces positive staff and student relationships.

- An annual decrease in the number of discipline referrals and unacceptable behavior.
- A yearly decrease in chronic absenteeism as measured by the Virginia Department of Education standards.
- A measurable decrease in incidents of bullying and cyberbullying each year.
- The annual increase of positive student-teacher and staff interactions that support a culture of high student achievement, positive relationships, improved staff morale, and effective communication for the school community as measured by division climate surveys.

PSYCHOLOGY SERVICES

Human & Fiscal Resources: Ensure the effective and efficient management of capital and human resources for the development and retention of high-quality staff, sustainable operations, and systems.

- Targeted professional learning and collaboration for all staff to support student achievement and division effectiveness as measured by division climate surveys.

Community Engagement & Communication: Increase engagement opportunities for families, school communities, and business partnerships.

- The annual increase in positive perceptions about SPS services as measured by climate surveys.
- The yearly increase in community participation in the Community Leadership Program.
- An annual increase in the number of community and family engagements and participation as measured by digital interactions and in-person events.
- The annual increase in community engagement and participation as measured by booster clubs, parent-teacher associations, advisory groups, and other indicators.
- The expansion of stakeholder communication modalities and reach as measured by division, school information portals.

PUPIL TRANSPORTATION SERVICES

The transportation department has the responsibility of establishing and revising bus routes, transporting all students to and from school, procuring and maintaining transportation equipment, assisting principals with student problems, and any other concerns associated with pupil transportation.

Strategic Targets:

- To establish and maintain fiscally efficient and cost-effective bus routes.
- To insure transportation for every eligible student living in the City of Suffolk.
- To interact with other responsible personnel in the procurement of necessary transportation and support equipment.
- To fulfill the requirement of physically monitoring each bus route at least once each school year.
- To enable department personnel to interact with school officials on a more frequent basis helping to eliminate potential problems and solve those requiring attention.

School Board Goals & Objectives:

Student Achievement: Students will develop characteristics of a Virginia graduate to include critical thinking, creative thinking, collaboration, communication, citizenship and growth in order to demonstrate academic excellence.

- An annual increase in student achievement as measured by the Virginia Standards of Learning assessments.
- An annual increase of student achievement as measured by advanced proficiency rates on the English, Mathematics, and Science Virginia Standards of Learning Assessments.
- Establishing fiscally efficient and cost-effective bus routes that allow students to arrive to school in a timely manner.

Climate & Culture: Create a dynamic learning environment that promotes high student achievement, stimulates student engagement, supports staff creativity, ensures school safety, and reinforces positive staff and student relationships.

- Providing training for bus drivers on safety as a priority provides a safe ride to school locations.
- An annual decrease in the number of discipline referrals and unacceptable behavior.
- Improved school safety procedures and protocols as measured by annual safety audits, student discipline, and climate surveys.

PUPIL TRANSPORTATION SERVICES

School Board Goals & Objectives:

Human & Fiscal Resources: *Ensure the effective and efficient management of capital and human resources for the development and retention of high-quality staff, sustainable operations, and systems.*

- An annual increase in staff retention.
- Targeted professional learning and collaboration for all staff to support student achievement and division effectiveness as measured by division climate surveys.
- To provide the most efficient and cost-effective manner to operate so as to minimize the cost of financial operations to the operating budget.

Community Engagement & Communication: *Increase engagement opportunities for families, school communities, and business partnerships.*

- The expansion of stakeholder communication modalities and reach as measured by division, school information portals.
- The annual increase in positive perceptions about SPS services as measured by climate surveys.

FACILITIES AND MAINTENANCE MANAGEMENT & DIRECTION

The Management and Direction Program of facilities and maintenance includes oversight and supervision of facility planning, construction, warehousing, maintenance, custodial services and archived student records management.

Strategic Targets:

- To plan, implement, and supervise operational support services including building grounds and maintenance and custodial services.
- To supervise all school construction activity; provide annual updates of the Capital Improvement Plan.
- To analyze and develop student attendance zones.
- To maintain a program for processing school and departmental generated work requests for repairs and maintenance to buildings, grounds, and equipment.
- To accept all requests for use of substitute custodial personnel and fill these needs whenever possible.
- To schedule all summer work, crew assignments, projects priorities and emergency services.
- To oversee the transfer of equipment among schools.
- To modernize the storage and retrieval system for archival records.
- To represent the department and school division at local, state, and national meetings.

School Board Goals & Objectives:

Climate & Culture: Create a dynamic learning environment that promotes high student achievement, stimulates student engagement, supports staff creativity, ensures school safety, and reinforces positive staff and student relationships.

- Improved school safety procedures and protocols as measured by annual safety audits, student discipline, and climate surveys.

Human & Fiscal Resources: Ensure the effective and efficient management of capital and human resources for the development and retention of high-quality staff, sustainable operations, and systems.

- A yearly SPS Board Review of staff perceptions of morale as measured by the annual Climate Survey.

Community Engagement & Communication: Increase engagement opportunities for families, school communities, and business partnerships.

- The annual increase in positive perceptions about SPS services as measured by climate surveys.
- The yearly increase in community participation in the Community Leadership Program.
- The expansion of stakeholder communication modalities and reach as measured by division, school information portals.

FACILITIES AND MAINTENANCE BUILDING SERVICES

The Building services program provides all maintenance related services for the facilities in the school division.

Strategic Targets:

- To maintain the facilities in the best possible operating condition.
- To provide the required utility service to maintain the most effective learning environment.
- To provide the janitorial supplies necessary to maintain building cleanliness.
- To replace equipment, carpeting, vehicles, etc. on a planned replacement schedule.
- To contract with outside companies for the purpose of providing maintenance services not available through maintenance staff.
- To employ necessary maintenance and custodial staff, under contract, to provide adequate facility upkeep with respect to health, safety, and welfare of students.
- To address the building needs of various departments and schools for repair and construction.
- To provide appropriate in-service training for master trades workers and custodians on new equipment systems and safety.
- To address all health, safety, and welfare concerns which are facility related.
- To provide preventative maintenance on equipment and systems.
- To provide furniture and equipment to meet the needs of the student population.

School Board Goals & Objectives:

Student Achievement: Students will develop characteristics of a Virginia graduate to include critical thinking, creative thinking, collaboration, communication, citizenship and growth in order to demonstrate academic excellence.

- Expanded options for academic and career development and programming to enhance student learning and experiences.

Climate & Culture: Create a dynamic learning environment that promotes high student achievement, stimulates student engagement, supports staff creativity, ensures school safety, and reinforces positive staff and student relationships.

- Improved school safety procedures and protocols as measured by annual safety audits, student discipline, and climate surveys.

Community Engagement & Communication: Increase engagement opportunities for families, school communities, and business partnerships.

- The annual increase in positive perceptions about SPS services as measured by climate surveys.

FACILITIES AND MAINTENANCE BUILDING SERVICES

2025-2026 Changes:

<u>Personnel Changes:</u>	<u>Increased</u>	<u>Decreased</u>	<u>Comment</u>
Substitute Custodians		(52,000)	Reduced -contracted out
Part-time/Overtime		(58,000)	Reduced - contract will reduce need
Total		(110,000)	

<u>Operating Costs changes:</u>	<u>Increased</u>	<u>Decreased</u>	<u>Comment</u>
Purchased Services	528,073		Contracted custodial services - see reconciliation below
Electrical	487,780		Based on 3 year average costs
Heating		(95,000)	Based on 3 year average costs
Storm Water Utilities	2,000		Increased cost by City of Suffolk
Postage	5,000		Increased cost of stamps
Telephone	1,000		Increase in number of cell phones
Insurance	19,352		Increase cost and additional cybersecurity
Leases & Rentals	1,222		Increased cost of rental equipment
Travel & Training		(3,000)	Decrease - moved \$1,000 to Management increase travel/training
Materials & Supplies		(5,995)	Decrease - warehouse allowing for less shipping costs
Janitorial Supplies	-	(380,000)	Decrease moved to Purchased Services -contract to cover
Uniforms		(40,000)	Decrease moved to Purchased Services-contact to cover
Total	\$ 1,044,427	\$ (523,995)	

HES Contracting Reconciliation

Purchased Services Increase at inception of contract	528,073
Savings from Uniforms under contract	(40,000)
Savings from Janitorial Supplies under contract	(380,000)
Substitutes/Partial part-time now under contract	(110,000)
Total Budget Effect	(1,927)

** Salaries and Benefits will move to Purchased Services with attrition, full reconciliation presented to the School Board on November 14, 2024. There were 5 vacancies at the inception of the contract February 3, 2025.

FACILITIES AND MAINTENANCE GROUNDS SERVICES

The Grounds Service Program includes all maintenance related and grounds keeping services required to maintain the landscape at each facility. In addition, the maintenance of well systems, sewage disposal systems, yard drainage systems, athletic fields, and utilities are included in this program. The repair and expansion of school division owned roadways and parking lots is also a part of this program.

Strategic Targets:

- To maintain the landscape at each facility in the best possible condition.
- To meet all governmental standards and regulations with respect to water, sewage, and storm drainage systems.
- To provide facilities the equipment necessary to maintain their responsibilities with respect to grounds upkeep.
- To employ necessary Maintenance Department staff, under contract, to provide service to maintain the landscape at each facility.
- To replace landscape equipment on a planned replacement schedule.
- To maintain all playground equipment in the best possible condition to protect the safety, health, and welfare of students.
- To provide adequate services for the maintenance of outdoor utility systems.
- To provide and maintain security fencing at all facilities.
- To contract for outside services to maintain the best management practice (BMP) ponds at our facilities.

School Board Goals & Objectives:

Climate & Culture: *Create a dynamic learning environment that promotes high student achievement, stimulates student engagement, supports staff creativity, ensures school safety, and reinforces positive staff and student relationships.*

- Improved school safety procedures and protocols as measured by annual safety audits, student discipline, and climate surveys.

Community Engagement & Communication: *Increase engagement opportunities for families, school communities, and business partnerships.*

- The annual increase in positive perceptions about SPS services as measured by climate surveys.

FACILITIES AND MAINTENANCE EQUIPMENT SERVICES

The Equipment Service Program includes all purchased services, materials and supplies, and repair and replacement of maintenance equipment. This program concentrates on the upkeep of building systems to include: mechanical, electrical, HVAC, and plumbing.

Strategic Targets:

- To employ outside companies for the purpose of providing maintenance services not available through the Maintenance Department staff.
- To replace all equipment on a planned replacement schedule.
- To purchase additional equipment needed for the operation of the Maintenance Department and to expedite processing of all work requests.
- To upgrade equipment for the maintenance of a learning environment free of health and safety hazards.
- To provide schools and departments with equipment to maintain their facilities in the best possible condition.
- To repair equipment needed to operate the mechanical, electrical, HVAC, and plumbing systems in schools and departments.
- To upgrade mechanical systems for energy efficiency.
- To increase the operational effectiveness of building systems.

School Board Goals & Objectives:

Student Achievement: *Students will develop characteristics of a Virginia graduate to include critical thinking, creative thinking, collaboration, communication, citizenship and growth in order to demonstrate academic excellence.*

- Expanded options for academic and career development and programming to enhance student learning and experiences.

Climate & Culture: *Create a dynamic learning environment that promotes high student achievement, stimulates student engagement, supports staff creativity, ensures school safety, and reinforces positive staff and student relationships.*

- The annual increase in positive perceptions about SPS services as measured by climate surveys.

FACILITIES AND MAINTENANCE SECURITY SERVICES

The School Resource Officer Program includes the employment of four sworn police officers in cooperation with the City of Suffolk Police Department, to provide security services at all middle and high schools during the normal instructional day. Additional security is provided at all middle and high schools through the use of part-time police officers.

Strategic Targets:

- To enhance positive communications and trust between students and Suffolk law enforcement officers.
- To provide law enforcement assistance to school personnel, parents and students.
- To monitor cultural and social influences and activities to ensure the prevention or early detection and intervention in the development of criminal activity.
- To provide an official police presence on all secondary campuses during normal instructional hours.
- To provide improved security for each school from non-student individuals by surveillance of the parking lots at each high school.

School Board Goals & Objectives:

Climate & Culture: *Create a dynamic learning environment that promotes high student achievement, stimulates student engagement, supports staff creativity, ensures school safety, and reinforces positive staff and student relationships.*

- *The annual increase in positive perceptions about SPS services as measured by climate surveys.*

2025-2026 Changes:

FACILITIES AND MAINTENANCE

WAREHOUSE/DISTRIBUTION/TEXTBOOKS

The Warehouse Distribution Program includes the employment of personnel for the purpose of ordering, receiving, warehousing inventory, and dispersal of materials and supplies. These employees assist with the processing of pay requests as a component of the procurement process.

Strategic Targets:

- To order, receive, warehouse, inventory, and disperse materials and supplies in the most efficient manner.
- To improve our warehouse procedures for the purpose of expediting the receiving, recording, and subsequent delivery of materials and supplies.
- To assist in the processing of requisitions for general supplies and equipment from schools and departments.
- To assist in the processing of janitorial supplies requisitions from schools and departments.
- To assist in validating requests for payments by vendors.
- To provide others with assistance with the appropriate use of cleaning materials and products to all schools/locations.
- To meet periodically with vendors to evaluate products.
- To store, distribute, and order textbooks as required; maintain a division-wide textbook inventory system.

School Board Goals & Objectives:

Student Achievement: Students will develop characteristics of a Virginia graduate to include critical thinking, creative thinking, collaboration, communication, citizenship and growth in order to demonstrate academic excellence.

- Expanded options for academic and career development and programming to enhance student learning and experiences.

Climate & Culture: Create a dynamic learning environment that promotes high student achievement, stimulates student engagement, supports staff creativity, ensures school safety, and reinforces positive staff and student relationships.

- The annual increase in positive perceptions about SPS services as measured by climate surveys.

TECHNOLOGY

The Code of Virginia has been amended to include "technology" as a major expenditure classification for financial reporting. In keeping with this change to the Code of Virginia, technology is now presented as a separate classification. Technology provides support and services to every school and department and contributes to the division's mission of educating all students in the City of Suffolk. Technology's expenditures included in this section include not only technology directly related to the delivery of classroom instruction, but also actual classroom instruction in technology. It also includes technology and technology support provided to all administrative and operational departments providing services supporting the education of our students.

The Technology Program provides the framework for a comprehensive, system-wide strategy for using electronic technology to meet the instructional and administrative requirements of education. This program develops, implements, and supports a wide variety of electronic media; such as, microcomputers, satellite, cable and public television, telecommunications, and other audio-visual electronics.

This program provides instructional and administrative services to assist in the use and implementation of today's electronic media throughout the entire educational community.

Strategic Targets:

- To provide for optimum use of instructional time and technology resources which enhance curriculum and instruction.
- To evaluate current technologies and facilities and upgrade these systems and facilities.
- To provide technical support to all School Board facilities and Suffolk's public schools.
- To establish electronic communication links throughout the educational community.
- To provide continual training to ensure that the staff is technically literate and competent.
- To provide access for all students to current technologies.

School Board Goals & Objectives:

Student Achievement: Students will develop characteristics of a Virginia graduate to include critical thinking, creative thinking, collaboration, communication, citizenship and growth in order to demonstrate academic excellence.

- Technology provides resources that are current, effective, and relevant to Student Academic Achievement; including hardware, software, and support.

Climate & Culture: Create a dynamic learning environment that promotes high student achievement, stimulates student engagement, supports staff creativity, ensures school safety, and reinforces positive staff and student relationships.

- Technology resources provide a safe and secure experience for students and staff complying with local, state, and federal regulations regarding Internet safety and other technologies; internet traffic is filtered and scanned to prevent inappropriate content and viruses.

TECHNOLOGY

School Board Goals & Objectives (continued):

Human & Fiscal Resources: *Ensure the effective and efficient management of capital and human resources for the development and retention of high-quality staff, sustainable operations, and systems.*

- Technology department has two groups: Technical Services and Informational Instructional Technology. Under each of these groups are multiple teams of skilled staff. The Technical Services group covers infrastructure, servers, applications, IP phones, intercom, WAN/LAN, routers, and Internet access. The Information & Instructional Technology group covers Help Desk, student information systems, reporting, data requests, and Instructional Technology Resource Teachers services.
- Technical Team leaders meet regularly to discuss plans, projects, and solutions to meet the challenges and provide strong leadership.

Community Engagement & Communication: *Increase engagement opportunities for families, school communities, and business partnerships.*

- Technology supports the functions that provide the foundations for collaboration in the communications systems; focus is to ensure these systems are up-to-date and online without interruption.

TECHNOLOGY INSTRUCTION:

2025-2026 Changes:

Operating Costs changes:	<u>Increased</u>	<u>Decreased</u>	<u>Comment</u>
Software and Support	281,647		VLA Software needs/IXL Reading/Math/Increased costs
Equipment Additions		(50,000)	Replacement Security Cameras and Intercoms -partially grant funded
Local Match Transfer-Grants	100,000		Increase budget to cover for grant opportunities that require match dollars
Total	\$ 381,647	(50,000)	

TECHNOLOGY

TECHNOLOGY DEPARTMENT:

2025-2026 Changes:

Operating Costs changes:	<u>Increased</u>	<u>Decreased</u>	<u>Comment</u>
Purchased Services -Tech	3,000		Increased cost of services
Materials and Supplies	5,750		Increased costs of supplies
Software		(40,100)	Changes to software contracts/moved to Technology Administration
Equipment Replacements		(5,000)	Reduced closer to actual
Universal Discount (E-rate)		(51,880)	May not receive next year see Revenue Section
Total	\$ 8,750	\$ (96,980)	

TECHNOLOGY ADMINISTRATION:

2025-2026 Changes:

Operating Costs changes:	<u>Increased</u>	<u>Decreased</u>	<u>Comment</u>
Purchased Services	5,000		Off premise fiber repair increased costs
Software	55,037		Increased costs of software- moved from Technology Department to help cover increase
Equipment replacements		(33,536)	Budget constraints -decreased plan to replace equipment
Total	\$ 60,037	\$ (33,536)

Glossary

Advertising – State statute requires that the school division advertise in local papers and pay for the cost of advertising for at least one public hearing on the budget; SPS advertises to let the community know of the thirty- day review of new textbooks, large construction projects; Human resources occasionally advertises to hard to fill open positions or job fairs; certain meetings of the school board or committees may also have to be advertised in local papers.

Algebra Readiness revenue – state revenue based on the estimated number of 7th and 8th grade students who are at-risk of failing Algebra I at the end-of-course. This number is approximated based on the free lunch eligibility percentage for the school district.

Allocations – Fine and Performing Arts – Each middle school is allocated \$5,000 annually for repair and replacement instruments and each high school is allocated \$20,000 annually for repair and replacement.

Allocations Instruments/Repairs – Set dollar allocation per secondary school for the replacement of instruments and repairs of instruments. Middle Schools have \$5,000 per school and High Schools have \$20,000 per school. These allocations are held at the SAO so that purchases can be made with state contracts or bid for the very best pricing to be ensured.

Alternative Education - State funds are provided for the purpose of educating certain students who cannot for any reason learn in the traditional environment. Students who may be expelled, have long term suspensions or have not been successful in traditional environments. Sites may be imbedded within the school or at several specific sites such as Turlington Woods or specific programs located at a school such as SPS Success and SPS Focus programs.

Appropriation – Legal authority from a governing board or legislative body to incur obligations and make payments for specified purposes. An appropriation is usually limited in amount and has a specified time frame for when it may be expended.

Approved Budget – The budget ultimately approved by the School Board for submission to the City of Suffolk for consideration. State law requires the approved budget to be submitted by April 1st annually.

Athletics – The school division pays for the coaches and persons required to work games such as ticket takers, scorers, and security personnel. In addition, the division pays for Athletic trainers and emergency personnel required at games, catastrophic insurance for student athletes, VHSL dues, travel for VHSL required meetings, materials needed to mark the fields, and helmet reconditioning. ALL other support for Athletics comes from booster clubs, gate receipts of games, and fundraisers by students and is accounted for in the student activities fund (SAF). Funds for athletics is not allowed to be transferred outside of athletics as (SAF) are fiduciary funds.

At Risk Add on revenue – The probability that a student will fail academically and/or drop out of school. State payments to support approved programs for at-risk students are disbursed to school divisions based on the estimated number of federal free lunch participants in each division.

Average Daily Membership (ADM) – The average daily membership (ADM) for grades K-12 including special needs students ages 5-21 and students for whom English is a second language who entered school for the first time after reaching their 12th birthday, and who have not reached twenty-two years of age on or before August 1st of the school year, for (7) months (or equivalent period) of the school year in which the state funds are distributed. Pre-school and postgraduate students are not included in ADM. It is calculated based on the total number of students in attendance each day added together and then divided by the number of teaching days in that period.

Balanced Budget – A budget in which the current expenditures are supported by current revenues.

Basic Aid revenue – Basic Aid is state funding for basic instructional positions derived from the minimum student to teacher ratios required by the Standards of Quality (SOQ); plus, all other personnel and non-personnel support costs funded through SOQ's.

Career and Technical Education SOQ revenue – State funds are provided to support career and technical education courses for students in grades 6-12. The funding supports the salary cost of instructional positions based on the class size maximums established by the Board of Education.

Compensation Supplement – Compensation supplement funding covers the state share of cost (including fringe benefits) for a percentage-based salary increase for funded SOQ instructional positions.

Composite Index of local ability to pay – Also called Local Composite Index (LCI) is an index figure computed for each locality. The composite index is the sum of the index of wealth per pupil in ADM and the index of wealth per capita multiplied by the local nominal share of the costs of the Standards of Quality (SOQ's). The formula uses adjusted gross income from state tax returns, values of real property, and taxable retail sales all weighted to determine the wealth of the community or what percentage of education a locality can "afford" to pay. SPS's composite index is .3487 or close to 35 cents per dollar of cost. The state recalculates the LCI every two years.

Coronavirus Aid, Relief, and Economic Security (CARES) Act Elementary and Secondary Emergency Relief (ESSER) revenue – emergency relief funds intended to address the impact that COVID 19 has had, and continues to have, on elementary and secondary schools. Funds may be used to pay for the services, equipment, and supplies such as personal protective equipment, cleaning and sanitizing materials needed to continue teaching and learning, while keeping students and staff safe. The allocations are based on each school division's relative share of Title I, Part A, Federal Fiscal Year 2019 funds.

District Field Trips – The school board approved specific field trips by grade level to support teaching and learning and agreed to pay for the majority of the cost of these trips. Schools charge a nominal fee and the difference is reimbursed by the division to the schools for the difference of what was collected and the whole cost of the trip. This could include such items as tickets and the cost of transportation.

Dues and Subscriptions – The cost of joining local, state or national organizations that provide valuable professional development and information to staff.

Early Reading Intervention revenue – state funds designed to reduce the number of students needing remedial reading services. Program funds are used for: special reading teachers, trained paraprofessionals, computer-based reading tutorial programs, aides to instruct in class groups while the teacher provides direct instruction to the students who need extra assistance.

Electrical – Utility cost for electricity at all sites. This is averaged out over five years to smooth out the costs of fluctuations year to year due to severe weather.

Employee benefits – in addition to salary, some benefits such as Social Security and Medicare (FICA), unemployment insurance, worker's compensation, VRS retirement, group life, are mandated by law and the costs set by the state or federal agencies. Benefits such as health and dental while mandated by law are set at rates set by the school division and offered to employees as part of their total compensation.

Encumbrance – An obligation against appropriated or school activity funds in the form of a purchase order or contract to pay.

English Language Learners (ESL) revenue – State funds are provided to assist school divisions in providing necessary educational services to children not having English as their primary language. The funding supports salary and benefit costs of instructional positions and supplementary assistance to students in this category.

Equipment Additions – The cost to add equipment not previously used that costs more than \$5,000 per unit or more than \$10,000 in total. Examples: Fiber network, zero turn mowers, trailers, bulk device purchases.

Equipment Replacements - The costs to replace any existing equipment, including upgrades to existing equipment. The cost would be more than \$5,000 per unit or more than \$10,000 in total. Examples: Chromebook devices for students lots of 40 or more depending upon price, replacement buses, replacement of computer servers costing more than \$5,000 each.

E-rate revenue – The schools and libraries universal services support program, commonly known as E-rate helps school divisions to obtain affordable telecommunication services, broadband internet access and internal network connections.

Fiduciary Funds – Funds used in governmental accounting to report on assets held in trust for others.

Fiscal year (FY) – A twelve-month period covering the operating year for accounting and budgeting purposes. The fiscal year for the school division is July 1st through June 30th annually.

Food – Food costs in the operating fund include the cost of providing food for meetings and trainings lasting more than two hours and/or being scheduled in the middle of the day during the normal lunch break time period. Snacks are also provided to our Virginia Pre-K students and charged as food under that program.

Foster Care revenue – Foster care funding provides reimbursement to the district for educating students in the state foster care system. Funds are provided for students in foster care who are not a resident of the city/county in which they have been placed.

Full-time Equivalent (FTE) – The number of working hours that represent one full time. For example: 12-month full time employee equals one FTE and works 2,080 hours annually. Permanent Part time employees are measured at the percentage of full-time hours their full-time equivalents are expected to work.

Fund – Resources set aside for specific purposes and activities in accordance with legal requirements. A school or department may have resources available from several funds. SPS has an Operating Fund, Grants Fund, and Food and Nutritional Service Fund.

Gifted Education revenue – State funds that supports the state share of on e full-time equivalent instructional position per 1,000 students in adjusted ADM.

Grants Fund – Financial Assistance providing money to an eligible entity to carry out an approved project or activity. Most grants require specific periodic reports on their grant project's progress. There may be additional monitoring visits or audits of the grant once awarded and implemented to ensure accountability. Sources can be Federal, State, Local or private and the grant year may not coincide with the school division's fiscal year.

Heating – The cost of providing heat to the various locations and can be either fuel oil or natural gas. This is also averaged out over 5 years to smooth over fluctuations in severe weather from one year to the next.

Homebound Instruction – academic instruction provided to students who are confined at home or in a health care facility for periods that would prevent normal school attendance based upon certification of need by a licensed physician or a licensed clinical psychologist.

Homebound state revenue – reimbursement up to a state capped amount to the school division for providing academic instruction to students who are confined at home or a health care facility.

Impact Aid revenue – Funding from the United States Government for the loss of tax revenue to cities/counties given that federal property is not subject to local and state taxes.

Infrastructure & Operations per pupil revenue (formerly Supplementary Lottery per pupil allocation) – state funding distributed to school divisions through Lottery proceeds. No more than 70 percent of funds can be used for recurring costs and at least 30 percent must be spent on non-recurring expenses. Non-recurring expenses include but are not limited to: school construction, additions, infrastructure, renovations, technology, school buses, and other expenditures related to modernizing classroom equipment.

Internet Services – Although the school division is reimbursed for some of our internet services costs, not all is reimbursed. Expenses represented here include the cost to provide this service to all buildings and locations.

Insurance – Includes the cost of insuring the following: property, inland marine, equipment breakdown, crime, general liability, public official's liability, catastrophic accident, business automobile, cyber risk, environmental liability, excess liability limits, school security risk, etc.

K-3 Primary Class Size Reduction Program revenue – state funding disbursed to school divisions as an incentive payment for reducing the class sizes in kindergarten through third

grade below the SOQ standard of 24:1 pupil-teacher ratio. Schools with free and reduced lunch eligibility of 30% and greater are eligible for funding. Funding is based on fall membership.

Leases and Rentals – The cost of renting equipment that SPS does not own. Examples include: bucket lift trucks, stage equipment, recording and camera equipment for school board meetings that are not at the Suffolk City Hall.

Local Composite Index (LCI) – See Composite Index of local ability to pay.

Local Match transfer Grants – some grant and most state programs require local match funding in percentage fund to match the grant or program. This varies from grant to grant and program to program. SPS has a local grant match expenditure line in the Technology – Instruction program. These funds are transferred to the grants fund annually as needed to cover required grant matching funds. State funds that require a local match are generally included in the total expenditures by the program for which they are required.

Lottery Funded – State mandated funds for education resulting from retail sales of lottery tickets.

Maintenance of Effort (MOE) – The term “maintenance of effort”, or MOE is a requirement by Federal funds to ensure that the grant recipient demonstrates that funding is never reduced due to additional federal funding. Local education agencies must demonstrate annually that they have expended the same amount or more local/state funding for special education and related services. There are exception provisions under which funding can go down and these must be proven separately if MOE is not met.

Materials and Supplies – Consumable items such as pens, pencils, paper, binders, pay check stock, accounts payable check stock, special toner for check printing, or any other consumable item that a single unit cost is less than \$5,000.

Materials and Supplies -Sci – Consumable science materials needed for required labs K-12 are purchased division wide to get the most savings. Input is taken from the teachers by the Science Supervisor and ordered in bulk each semester.

Materials and Supplies – FPA - Consumable Fine and Performing Arts supplies are purchased at the division level based on input from the teachers as a cost saving measure to purchase in bulk and sent to the schools.

Operating Budget or fund – Annual financial plan for revenue sources and expenditures to open and operate the school division using current short term (one year) resources.

Operating Costs – Any cost of doing business that are NOT employee salary, stipend, part-time/over-time compensation or benefits to employees.

Postage – Examples include: State statute requires the mailing of certain student documents and letters, accounts payables printed checks and certain payroll checks also must be mailed.

Purchased services – Payments for services acquired from outside sources. Examples include: Lease agreements, outsourced maintenance, outsourced printing, consultants, speakers, rentals, and maintenance agreements on equipment.

Prevention, Intervention, and Remediation revenue – state funding supporting remedial services to children who need additional instruction. Funding is disbursed to school divisions based upon the state’s share of costs for additional professional instructional positions and based on the division level failure rate on the SOL English and math test for all student at risk of educational failure (three-year average free lunch eligibility data is used as a proxy for at risk students).

Professional Development Allocation – Allocation based upon the total number of instructional staff members. The total budgeted allocation is divided by the total number of instructional staff members to get a per staff amount. This amount is then multiplied by each schools’ number of instructional staff members. Each school receives their allocation money in October to allow instructional staff to attend state or national professional development.

Re-benchmarking Hold Harmless – This funding provides relief to school divisions due to the basis of re-benchmarking being 2019 the year school divisions were closed down due to the COVID-19 pandemic. Schools will not be adversely affected by the effects on expenditures due to the closing that could adversely affect the “cost of education” formula developed by the state.

Remedial Summer School revenue – state funding available on a reimbursement basis to school divisions for the operation of programs designed to remediate students during the summer session. Reimbursement is based upon the number of eligible students served in the program.

Required Local Effort – Amount of money that the city/county must provide as their calculated share of the cost of education (See Composite Index).

Revenue – Sources of income financing the operations of the school division. These include but are not limited to: State, Federal, Local, and other income sources and are detailed in the revenue section of this document.

Salaries – Compensation for full-time and part-time employees, substitutes, coaches, and supplements. See the Classification and Compensation plan published under Human Resources on our website.

School Activities Funds – Fiduciary funds held in separate accounts that are audited annually by an external auditor. These funds include Instructional and professional allocations given by the School Board Operating fund, Athletics funds (secondary schools), Clubs, Donations/grants and General Principal/Grade/Department funds. The Finance Department monitors and assists school bookkeepers in managing their funds by providing training twice annually, onboarding training, oversight with regard to transaction processing, monitoring of allocations received and spent, and coordinating the external audits.

School Allocations – Money specifically set aside to be distributed to the School Activity funds based upon number of students in the building. In August, 80% is distributed to schools based on enrollment measured in June. In January the remaining 20% is distributed to schools based on enrollment measured in September. Exceptions to this are the fixed amounts distributed to

Turlington Woods program to operate and to the College and Career Academy at Pruden in order to operate programs. Specific accounts are used to receipt the funds for audit tracing and then the funds are distributed among the allocation accounts by either grade level or subject based upon the School Administrator and leadership team's knowledge of their specific teachers and student needs.

Share of joint Operations – SPS participates in the Southeastern Cooperative Educational Program for some of our special need's students. The cost of this program is reflected in this line of the budget and can be found under the Instruction – Special Education budget program

Special Education SOQ revenue – state funding that provides for the state share of salary costs of instructional positions generated based on the staffing standards for special education. Each special education student is counted in their respective school and up to three disabilities per student may be recognized for calculating instructional positions for funding.

Standards of Quality (SOQ) – operations standards for grades kindergarten through 12th grade. These standards prescribe the minimum foundation program that all public schools in Virginia must meet. The standards are established in the Constitution of Virginia and defined in state law. Standards address areas such as staffing, facilities, and instructional programs.

State Sales Tax – the One and 1/8th percent of state sales tax returned to localities for public education, distributed based on the triennial school-age population census.

State's share for the Standards of Quality – The state share of the cost of education for a locality equal to the cost of education as benchmarked biannually by the state and subtracting the locality's estimated revenues from sales and use tax, and subtracting the local ability to pay or LCI.

Storm Water utility – The city of Suffolk bills the school division twice annually for this utility as a reimbursement of cost.

Telephone – The cost of operating the divisions more than 500 telephones in over 21 locations annually.

Textbooks – The state provides funding annually for updating the adoption of textbooks across subject areas. These funds are matched by the division and used annually to purchase and maintain textbooks, e-textbooks, and software that includes textbooks annually.

Travel and Training – The federal government provides an amount annually that we must reimburse employees for requiring them to use their own vehicle to travel to meetings or between buildings to perform their job duties (called itinerate travel). This account is also used to employees to travel to conferences and for in-house training costs and may include the cost of materials for the training.

Vehicle Fuel – This account includes the cost of fuel at a contracted wholesale price to fuel both buses and white fleet (non-yellow buses) used as maintenance vehicles, delivery vehicles, etc. The pumps have controls on them to show who received the fuel and how much. Logs are kept and reviewed by Transportation regularly.

Vehicle Parts – SPS partners with the City of Suffolk to purchase parts at cost plus overhead from the city, SPS also purchases by contract other parts needed for maintaining over 120 buses and other vehicles annually. Examples include: oils, tires, spark plugs, chains or belts.

Virginia Per-school Initiative revenue – State funds provided to sustain 435 student slots of high-quality preschool for at risk four-year old children which include pre-school education, health services, social services, parental involvement, and pupil transportation. The SPS program is a full-day program.

Water and Sewer – The city of Suffolk through HRUBS bills the school division for the use of water and sewer much like private citizens. This cost is reflected in this line of the operating budget.
