## III. New Business

### A. 2020 - 2021 SEAC Goals

Due to the impact of the COVID-19 pandemic, the committee has decided to carry forward the incomplete goals from the 2019-2020 school year to 2020-2021. After discussing most of the goals individually to determine whether they needed any edits, it was decided that each member should look them over and submit any suggestions to the secretary by August 19th. Those suggestions would then be compiled and emailed to the committee prior to the September 16th meeting so that

the goals can be finalized at that time.

IV. **Adjournment** - The next meeting will be September 16, 2020.
