Dr. Whitney,

The 2016-2018 Addendum to the Suffolk County Public School Technology Plan was submitted to this office for review and was found to be in alignment with the 2015-2017 Addendum to Educational Technology Plan for Virginia: 2010-2015.

The plan addendum was submitted as a requirement of state law. Your plan is approved for the two year period beginning 7/1/2016-6/30/2018. Once a new Educational Technology Plan for Virginia has been approved, a new division technology plan will need to be submitted. The new State Technology Plan is scheduled for approval by June 30, 2017, so your division will have a full year to align your own plan by June 30, 2018.

Please feel free to contact me at the Office of Educational Technology at (804) 225-2825 or jean.weller@doe.virginia.gov, should you require additional information regarding technology planning.

Sincerely,
