To All Interested Parties:

**Subject: Addendum #3,-1739 B
Provide Storm water Pond Management**

Question: Thank you for answering my questions in your posted Addendum 2. Your response lead me to one last question. Is the monthly stated current award of \$1230/month based on maintaining the 11 listed sites with a total of 14 ponds or did it include more or less sites/ponds?

If not, could you state the number of sites/ponds being maintained in the current contract and how many additional ponds **may** have to be maintained with construction of the new ponds you mentioned in Addendum

Answer: The original bid had 5 less ponds. Three at Col Fred Cherry, 1 at Bowser and 1 at Nansemond Parkway have since been added.

With the additional ponds mentioned our current monthly expenditure is \$1,755.00 for this service.

Please keep in mind that we are now asking for some different service levels with this bid versus the bid from 2015.

ADDITIONAL INFORMATION: While the deadline for questions is tomorrow, it is encouraged all potential proposers submit their questions as soon as possible due to the potential weather event on February 20 and February 21, 2020. In the case that inclement weather requires Suffolk Public Schools to be closed on the due date (February 25, 2020), Suffolk Public Schools will accept proposals until 2:00 PM on the next business day that Suffolk Public Schools resumes normal operations.

All questions received to date have been answered. The deadline for questions will be February 20, 2020 by 5:00 PM. No other questions received after this date will be answered. The questions and answers will be compiled and answered in an addendum.

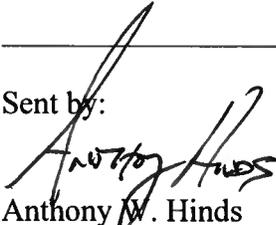

If you have already submitted your bid you can sign this addendum after the fact.

Please email Anthony Hinds at anthonyhinds@spsk12.net if you have any additional questions and sign below to acknowledge receipt of the addendum and include with your proposal.
