To All Interested Parties:

**Subject: Addendum #3**  
**Security Camera System and Related Hardware**

Please note the following response to questions received regarding the above Invitation for Bids. All available information has been provided.

**Question:** When comes to the video walls for this project, would you be able to provide an exact count for how many will be required?  
There will need to be hardware installed at each video wall location to get our solution to function properly.

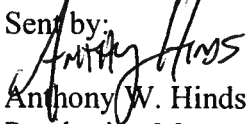

**Answer:** The "Video Walls" consist of a single 32" or 42" display with a dedicated windows computer connected to it. Currently we have 4 configured like this

**TIME EXTENSION:** Suffolk Public Schools will be extending this submission to allow for proposers to use this new information. The new submission date is February 11, 2021 on or before 2:00 PM.

As some have already turned in their proposals, this addendum is not required to be turned in at submission and can be signed after the fact.
