Individual Eligibility Rules

Attention Student! To be eligible to represent your school in the Suffolk Middle School League, you must meet the following criteria:

1. The student shall be a bona fide student in good standing in the school that he/she represents. This includes being enrolled in at least five classes or equivalent during each of the four nine week grading periods. 2. The student shall be a bona fide student in good standing in the sixth, seventh or eighth grade and must have met all necessary requirements (2.0) after having been promoted.
3. Students must have a 2.0 grade point average. The 2.0 will be based on the previous semester or yearly grade (fall only).
Exception: A student may remove an academic deficiency during summer school so as to render that student eligible to participate during the first semester of the ensuing school year.
4. Age: A student may not have reached the age of fifteen (15) on or before August 1, of the school year in which the student intends to participate.
5. A student is **not allowed** to participate in a particular **middle school** sport more than once as a sixth, seventh or eighth grader.
6. A student is **allowed** to participate in a particular sport more than once per school year at the middle school and high school levels.
7. Each student must complete the Athletic Participation/Parental Consent/Physician's Certificate Form at least once during each school year.
8. Students participating in athletic activities must be in attendance at school no less than one-half day to practice, perform, or compete on that day.
9. Once the team is selected, referrals resulting in In-School Suspension (ISS) or bus suspension will lead to a one game suspension of the playing date closest to the suspension. Referrals resulting in Out of School Suspension (OSS) will lead to dismissal from the team.

Eligibility to participate in middle school athletics is a privilege you (student) earn by meeting not only the above-listed minimum standards, but also all other standards set by your school. If you have any questions regarding your eligibility or if you are in doubt about the effect an activity might have on your eligibility, **check with your principal for interpretations and exceptions provided under Program rules.** Meeting the intent and spirit of program standards will prevent you, your team, school and community from being penalized.

I have received the rules for participation in Middle School athletics (above) and believe I am (my child) is eligible to represent my school in the Suffolk Middle School League. Providing false information will result in ineligibility for one year.
