Test Taking Tips for Families:

- Please ensure your student is present and on time on testing days.
- Encourage your student to get plenty of rest the night before the test.
- Ensure they eat a nutritious breakfast on the day of the test.
- Help your student review and study material covered in class.
- Create a calm and supportive environment at home during the testing period.
- Talk to your student about any concerns they may have and offer reassurance.
- Remind them to listen carefully to instructions and read each question thoroughly.

Test Taking Tips for Families:

- Encourage them to use any strategies or techniques they've learned for test taking.
- Emphasize the importance of staying focused and managing their time wisely during the test.
- Remind them that it's okay to take breaks if they need them.
- Avoid putting too much pressure on your child; instead, focus on praising their effort and hard work.
- After the test, celebrate their efforts regardless of the outcome and offer positive reinforcement.
