

Dear Parents and/or Guardians:

We are taking a proactive approach to adequately prepare your scholar for the Standards of Learning (SOL) Assessments that will be administered in March (8<sup>th</sup> Grade Writing) and May. Your child has been selected to participate in the Wolverine Remediation Program. This program will be held on Mondays-Thursdays (please see the attached schedule) to support your scholar.

The Wolverine Remediation Program will afford your scholar the opportunity to review objective(s) in Reading, Math, History, and Science, collaborate with peers, and participate within learning activities/centers reinforcing learning objective(s).

Unfortunately, transportation is not provided for the Wolverine Remediation Program therefore parent pick-up time is 3:55 p.m. On selected days, light snacks will be provided.

If you have any questions/or concerns please contact:

Ms. Dickey (Assistant Principal) at (757)934-6212
