Parking Regulations and Guidelines for Student Drivers

The following regulations should be observed by all motor vehicle operators while on King's Fork High School grounds.

1. Junior and Senior students and other approved student drivers will be permitted to drive and park on school property.
2. Motorized vehicles parked on King's Fork High School grounds must be registered with the administrative office. Failure to register a vehicle for a parking decal will result in a student's loss of driving privileges. In addition, School Board Policy (7-04.4) states that "No student may bring any motor vehicle on school property unless prior to or immediately upon bringing a vehicle on school property the student shall obtain proper written authorization from the principal's office. If any student brings any motor vehicle on school property with or without proper authority he shall be deemed thereby to have consented to the search of the vehicle for alcohol, illegal drugs or weapons."
3. In order to register a vehicle, a student must present a valid Driver's License, a fee of \$35.00, proof of insurance, DMV registration and a signed Parking Regulations and Guidelines form to the school secretary. Students driving to school on a temporary basis are also required to register their vehicles. The student will be issued a numbered decal and a reserved parking space with a corresponding number. Students must park in their reserved space. If another vehicle is parked in a student's reserved space, they should park in the back of the student lot and see the office Secretary or an Administrator immediately.
4. Students driving to school should not arrive prior to 8:00 a.m. Upon arrival students should go immediately into the building. **Students driving to school who are chronically tardy may receive disciplinary action or be subject to loss of their driving privilege.**
5. From 8:25 a.m. until 3:00 p.m., students will not be allowed to go into the parking area without written authorization from the office, unless leaving for the day. Students leaving school without permission or without an approved early dismissal note from a parent may lose their driving privilege.
6. Decals should hang from the rearview mirror.
7. All drivers shall abide by traffic laws and regulations while operating a vehicle on school property. At no time should a vehicle exceed 10 mph.
8. All accidents of any kind should be reported to the Main Office immediately.
9. Vehicle operators are requested, for their own protection, to leave all valuables at home. All acts of vandalism or theft should be reported immediately to the office. **THE SCHOOL CAN NOT BE RESPONSIBLE FOR ACTS OF VANDALISM OR THEFT IN THE SCHOOL'S PARKING LOTS.**
10. The city fire code prohibits parking in the fire lanes at school buildings.

ANY STUDENT FOUND IN VIOLATION OF ANY OF THESE REGULATIONS SHALL FACE APPROPRIATE DISCIPLINARY ACTION BY THE SCHOOL'S ADMINISTRATION AND LOSE THE PRIVILEGE TO DRIVE TO SCHOOL WITHOUT REFUND OF THE PARKING REGISTRATION FEE.

I have read and understand fully the conditions set forth for driving and parking on school property and I agree to those regulations.
