Dear Students, Staff and Parents:

Welcome to the 2024-2025 school year! Our commitment at King's Fork High School is to provide a safe and intellectually challenging environment that will empower students to become innovative thinkers, creative problem solvers, and inspired learners prepared to thrive in the twenty-first century.

High standards and expectations for each student in regard to academic performance, co-curricular participation and responsible citizenship are the foundation of our school. It is with pride that we hold these high standards and ask each of our students to commit to maintaining the extraordinary record of achievement and contribution that has been the legacy of King's Fork High School students. It is the contribution of our students to our school community that makes King's Fork High School an exceptional learning community. Full participation in academic and co-curricular programs and a willingness to act responsibly as an individual within our educational environment are the factors that enable all to have a successful and enjoyable year. Below are our beliefs regarding teaching and learning that we developed as part of this process.

We believe that effective teachers:

- create opportunities for intellectual risk-taking, collaboration, problem-solving and application of classroom learning to real life situations.
- implement strategies that promote ownership of learning to students.

- design instruction to integrate a variety of innovative technological tools and resources to enhance learning; demonstrate ongoing professional growth in order to increase the quality of instruction.
- collaborate with colleagues to share and discuss exemplary practices, interpret student performance data and design assessments that promote twenty-first century skills.

We believe that successful students:

- communicate in a meaningful way for a variety of purposes and audiences.
- demonstrate a sensitivity to the precision and nuances of written, visual and aural medium through comprehension, interpretation and evaluation.
- employ critical and creative thinking skills to solve problems.
- pose questions, examine possibilities and apply skills to find solutions to authentic issues.
- make positive choices related to physical and mental wellness.
- contribute to the local and global community in a collaborative and respectful manner.

In conclusion, I wish you all a wonderful school year. If I can be of any assistance, please do not hesitate to contact me and know that my door is always open. I can also be reached at derrickbryant@spsk12.net. I am honored to serve as your principal.

Sincerely,

Derrick Bryant

ACCESS (Tidewater Scholarship Foundation Program)

The ACCESS Program provides a school advisor to encourage students to prepare for higher education after high school. Services for seniors include Career Planning, SAT Prep Workshops, College Tours, SAT Waivers and college application fee waivers for qualifying students. In the senior year, ACCESS Advisors help students apply to college, and they provide comprehensive financial aid and scholarship services to help students pay for college. One-on-one counseling services are available for seniors and their parents. Don't miss out on this FREE program.

Address Changes

Please notify the attendance/guidance offices immediately if there is a change in a student's address, telephone number, or person to contact in case of an emergency. This information is important in case a student becomes ill or injured.

Assemblies

A variety of assemblies will be held during the school year. While some are solely entertaining, many are cultural and educational in nature and extensions of classroom and extracurricular experiences. Students shall report to the assembly area in an orderly manner under the supervision of the teacher.

Students are requested to be courteous to speakers, performers, and other platform guests and give them their immediate undivided attention. Any action which disrupts the assembly will not be tolerated. Student violators will be requested to leave the assembly and will face strict disciplinary action.

Athletics

Interscholastic Athletic Program

The interscholastic athletic program at our school offers a variety of team sports for both boys and girls. In order to participate in the athletic program, a student must have a completed “Parental Consent/Physician’s Certificate Form” (physical form) to be given to the Athletic Trainer prior to the first day of practice. Once a physical form is on file, no other physical is required for additional sports during the current school year. ***It is also necessary for students to have passed at least three(3) subjects the previous semester and be enrolled in no less than three (3) subjects the current semester to be eligible for participation in interscholastic athletics***

Special Notes

- Incoming freshmen are eligible for first semester athletic participation immediately.
- Transfer students must have been eligible under the previous school district’s eligibility guidelines if they do not meet SPS guidelines.
- Members of the Marching Band must follow the same eligibility requirements listed above for athletics. A student must be in attendance in school at least one-half of the school day in order to participate in any school activity.

Attendance Policy

Students must be regular and punctual in attendance. Regular school attendance is important in the academic development of the student. Excessive and unexcused absences from school are detrimental to such development. Students with **5** or more unexcused absences will be contacted by email, and asked to complete a contract that

you will make with your child’s school concerning how you will work to improve your child’s absences. This contract will be shared with your child’s school and attendance officer.

When your child acquires their seventh (7) unexcused absence, you will be contacted by the school via mail, email or phone call to advise you of the absences. Should your child acquire their tenth (10) unexcused days, you will be contacted and a parent and the student must attend another “in person” conference to discuss the particular causes or issues surrounding your child’s absences. The conference will ordinarily include a teacher, the administrator, the school’s social worker, and a Western Tidewater representative. At the conference, with your input, we will formulate or revise the truancy plan to enable and facilitate attendance.

If your child were to acquire an eleventh (11) unexcused absence, more serious steps will be taken: the child and parent will meet with our Truancy Review Team which will be held at the Suffolk Court House. At the conference, with parent input, we will formulate a truancy plan to enable and facilitate attendance. Students who receive an additional unexcused absence could prompt the school division to file legal proceedings against the child and/or parent in the Juvenile and Domestic Relations Court. The legal proceedings may include a criminal warrant against the parent(s) and/or a “child in need of supervision” petition.

Absentee Notes – Attendance Clerk

The Attendance Clerk is located in the A100 office pod.

Students who are absent from school should bring a **written and signed statement** from a parent or legal guardian explaining the absence and submit it to the attendance clerk in the attendance office as soon as they return to school. No excuses will be accepted after 5 days from the date of absence. Students who were suspended from school for a period of 10 days with an administrative hearing should report to the attendance office at the conclusion of their hearing with their readmit form signed by pupil personnel.

Bell Schedule

King’s Fork High School is operated on an Odd – Even school day format. Students attend blocks 1, 3, 5, and 7 on the **odd days** and blocks 1, 2, 4, and 6 on **even days**.

Regular school bell schedule:

*High School	Start	End
Block 1	8:20 AM	9:53 AM
Block 2	9:58 AM	11:31 AM
Block 3 (Lunch)	11:36 AM	1:22 PM

Cafeteria

All students must report to the cafeteria for lunch. Student behavior in the cafeteria should be based on courtesy and cleanliness. **Students are to remain in the cafeteria until the bell rings to report to class.** At no time are pupils allowed to take food outside of the cafeteria during the lunch period.

Students are to line up in an orderly manner and wait their turn to be served. Any cutting of the lunch line will warrant disciplinary action. When students have finished their lunch, they are to return all trays, food, and trash to the proper location. Students are **NOT** to sit on cafeteria tables or the walls surrounding the pit in the cafeteria at any time. Students are not allowed to leave the cafeteria pit during lunch unless it is to use the restroom or the school store. Students will not be permitted to leave the cafeteria without a pass.

Students are not permitted to leave the school campus for lunch. Students are not allowed to have anyone other than parents/guardians bring lunches to them from outside vendors (i.e. Wendy's, McDonald's etc.). **Food delivery services such as GrubHub, DoorDash, and/or Uber Eats are not permitted and will not be accepted.** **Breakfast:** Upon arriving at school students who are eating breakfast are to proceed to the breakfast kiosk and proceed to class. No students are allowed to congregate in the cafeteria during breakfast.

Courtyard: **Only Seniors** are permitted to eat in the courtyard during the permitted times established by administration.

Free and Reduced Lunch Program

All students' breakfast and lunch will be free of charge for the 2024-2025 school year. We will continue the bag-and-go breakfast. The cafeteria will take cash; HOWEVER, No change will be provided. Any excess money will be put on the student account. Parents can also go to the Titan Link website to put money on their child's account.

Any questions concerning the Suffolk Public Schools lunch program can be addressed to Dr. Lawrence Whiting, the school division's food services supervisor, at 925-5789 or lawrencewhiting@spsk12.net.

Online Pre-Paid Meal Program

Suffolk Public Schools will continue its online prepayment option for student meal accounts. The web-based program is called ***myschoolbucks.com***. Visit www.myschoolbucks.com to see more about the service itself.

Cell Phones, Communication Devices and other Electronic Devices

Cell phones and other electronic devices can be used during transition time between classes, the cafeteria during breakfast and lunch, and after school. These devices may not be used during instructional time. Students must obey the BYOD (**Bring Your Own Device**) signs at all times. **The school is not responsible for the loss or theft of electronic devices brought to school by students.** *Students bring these devices at their own risk.* Drones of any size are prohibited from being used on school grounds without specific permission from an administrator.

Using any device to misrepresent an individual, harass or bully, or promote illicit (ie; fighting) activity is unacceptable. Use of these devices outside of the policy will be confiscated. **Failure to surrender a device upon the request of a staff member when the use of that device is in violation of school policy could result in suspension.**

Cheating/Plagiarism

King's Fork High School urges students to conduct themselves ethically and honorably. It is expected that the grade a student earns is based upon work that the student has performed. Cheating is dishonest. It harms you and it harms the other students who do not cheat. We, therefore, will not condone nor will we tolerate any student submitting work that is not produced solely by the student's own initiative.

Section 9-11.13. Consequences First Offense; Consequences for Subsequent Violations.— A. For a first time offense the classroom teacher shall (i) conference with the student and/or parent; (ii) give the student a grade of zero on the test, quiz, assignment, or project; (iii) allow the student who receives a grade of zero on any test, quiz, assignment, or project to retake the test or quiz, or redo the assignment or project at which time the grade of zero will be replaced with the student's earned grade, except

that retakes will not be available for state assessments and local benchmark tests; and (iv) notwithstanding School Board Policy 8-31.3, any student allowed to re-take any test or quiz or redo any assignment or project as provided for in subsection (iii) shall receive a point reduction of 30 points on any such test, quiz, assignment or project. The teacher may also write a referral to the Administration should the teacher be of the opinion that a referral is warranted.

B. Consequences for subsequent violations shall include those listed in subsection A above and in addition thereto the teacher is required to write a referral and the student shall receive an in-school or out of school suspension. (Adopted December 10, 2015; Ordinance Number 15/16-2).

Legal Authority – Virginia Code §22-1.78 (1950), as amended.

Clinic

A full-time nurse is available to assist students who are ill, require first-aid treatment, or have other health concerns. Except in the case of any emergency, students should obtain a pass from their teacher to enter the clinic. If a student becomes ill during the school day and feels the need to go home, he/she must first check with the school nurse. The nurse will make the proper arrangements by contacting the student's parents. No student is to phone his/her parents or anyone else to come to school to take him/her from school unless he/she has first gained permission from either the school nurse or a school administrator.

The only medication that will be given to a student by the school is that prescribed by a physician. In such cases, the parent should supply the school nurse with a completed Suffolk City Public Schools "Administration of Medication" form. Students are not permitted to have any kind of medication at school. This prohibition includes pain relievers, cold remedies, and other over-the-counter drugs. Parents of students with medical problems needing special care should notify the nurse at the beginning of the school year. Failure to comply will be a violation of School Board Policy and will result in a request for an expulsion.

Dress Code Policy

Suffolk School Board Dress Code Regulation Change (Revised January 13, 2022):

A. The School Board and Suffolk Public Schools Staff rely heavily on parents and students to support the division's policies. One of the fundamental purposes of school is to provide an appropriate environment for learning. A student will maintain personal attire and grooming standards that promote safety, health, and avoid unnecessary disruptions.

B. Suffolk Public Schools has established the following guidelines for student dress while in the classroom or participating in school-sponsored activities:

1. Shirts and blouses must include at least 3" width on shoulders, garments. Spaghetti straps, strapless tops, midriff and/or muscle shirts, off-shoulder shirts, and tank tops are not allowed. The appropriate length of skirts, dresses and shorts will be determined by

the "fingertip rule." The length of skirts, dresses and shorts, must extend below the student's fingertips when the student's arms are extended at his/her sides. Only leggings, jeggings, and yoga pants that are opaque (i.e., not able to be seen through) are allowed. Rips and holes in clothing are prohibited.

2. Clothing must not reveal undergarments such as underwear and bras. This includes any article of clothing that does not cover the midriff, back, reveals cleavage, sags below the beltline, or is sheer.

3. Clothing and accessories may not advertise alcohol, tobacco, vaping, cannabis, or any illegal substances, depict lewd graphics, display offensive or obscene language, promote violence, or are gang related. Apparel that depict sexually suggestive expressions or actions, profanity, obscenity, drugs, alcohol, or tobacco, or which degrade the integrity of individual groups are prohibited. Slogans and graphics are prohibited across the buttocks.

4. Sunglasses may not be worn within the building, unless prescribed by a doctor for a legitimate reason. Wallet chains are not permitted.

5. Unless worn for religious or medical reasons, head coverings are not permitted. This includes hats, hoods, bandanas, combs, and picks. Headbands, headwraps and/or scarves as they relate to a student's customary country of origin, religious attire or ethnic affinity are allowed.

6. All shoes worn should not pose a safety concern. Slides, flip flops, and slippers are permitted. Sandals with a back strap are permitted.

7. Sleepwear may be worn only during designated school functions.

8. Clothing worn by a student must not cause a disruption and/or distract others from the educational process or pose a health or safety concern.

Early Dismissals

Students desiring an early dismissal from school are to present a written statement to Mrs. Coleman in the main office by 11:00 am. The note must contain the following information: date, student's name, time of the dismissal, reason for dismissal, **signature of a parent or legal custodian**, and the phone number where the parent can be reached to verify the student's dismissal. Students will not be dismissed unless a note from the parent is presented. ***Students will not be allowed to leave the school if verification cannot be made. Students must sign out in the front office any time they leave school early.*** Additionally, students will not be released to anyone other than the parent or guardian of record. Parents may be asked to show proper picture identification before students will be released. Parents who wish to designate another adult to pick up their child must provide the name of that individual on the note they send and identification will be required. Students who are being picked up by an adult

other than their parent/guardian should provide a signed note from a parent to the front office staff in the morning so that it can be verified with the parent/guardian by telephone prior to dismissal. **No emails or phone calls will be accepted.**

King’s Fork High School has a closed campus. This means that students are not allowed to leave the campus once they have arrived for their school day until after their last class of the day. Students may not leave campus during lunch or study hall. Failure to adhere to the rules will result in disciplinary actions which may include out of school suspension.

Work/Early Release Program

Students involved in work-study or co-op programs may be released early from school on a daily basis. Students having special needs that require an early dismissal on a regular basis must receive prior approval from the administration. Students in the work-study or co-op programs apply for early release through the Guidance office. All students receiving early dismissals on a regular basis must sign out DAILY at the check out table in the cafeteria and present their student ID to the person on duty when signing out. Failure to follow this procedure may result in revocation of the early dismissal privilege and assignment to an appropriate class. ***Students with work/early release may NOT remain in the building and must sign out and leave via the main school entrance within five minutes of the dismissal bell.***

Extra-Curricular Activities

Our school provides a variety of extra co-curricular activities. Students are encouraged to join and participate in the activities of their choice. Consult an administrator, teacher, guidance counselor, or the Director of Student Activities about these activities.

Hall Passes

Students are not permitted in the halls during instructional time without a signed, timed, and dated teacher “Bulldog” pass. Students are not permitted to leave the classroom for the first 15 minutes or the last 15 minutes unless it is an emergency.

Homebound Students

Students who are physically or mentally unable to attend school should call their counselor for assistance completing the proper paperwork. In order to receive homebound instruction, a doctor must recommend the homebound placement for each case. Ms. CasSandra Requizo (Guidance Director) cassandrarequizo@spsk12.net is the contact person for homebound instruction at King's Fork High School.

Honor Roll

The Honor Roll will be determined each grading period from the grades which appear on the report card. Students may not have a grade lower than "B-" to make the honor roll.

Lockers

Students shall be permitted to use a school locker for the storage of coats, books, and other educational materials of the school. A locker maintenance fee of \$5 will be charged. The locker and combination will be kept and supplied by the homeroom (first block) teacher upon presentation of the locker rental receipt. Lockers are considered the property of school. ***School officials, acting with just cause, shall have the authority to search lockers or other areas of the school when reason exists to believe items hazardous to the welfare and safety of the student or student body are present or when such items are used to violate a law or cause a disruption in the school.***

Students are discouraged from sharing lockers. There are enough lockers for every student to have his/her own locker. Do not disclose your locker combination to anyone. The administration may not be as effective in investigating losses when they occur, if the student has shared his/her combination with other students. Your combination is confidential: **PROTECT IT!** The school cannot be responsible for items lost or stolen.

Lost & Found

Articles that are lost are turned into the main office. Articles not claimed at the end of each semester are given to a charitable organization or discarded.

Make-Up Work

Students' make-up work should be provided by the teacher and returned to the teacher within five school days of the student's return to school.

Media Center Regulations

Media Center hours are 8:00 a.m. - 2:45 p.m.

Students

- There will be absolutely no food, drink, gum, headgear, or electronics in the library at any time.
- All students entering the media center must sign in upon entering and sign out upon leaving.
- Students must have a yellow library pass signed by a teacher or administrator when entering the media center. The pass must be placed on the circulation desk and must be signed with the correct time upon leaving by a media specialist or assistant. **EACH STUDENT MUST HAVE HIS OR HER OWN PASS.**
- No passes will be issued from the media center for students to go to other places.
- The Internet is a privilege, not a right. Violations of the stated policies for acceptable use of the Internet will result in the loss of privileges. The guidelines for computer usage are posted at each computer desk.
- Only educational research is allowed. At no time will games, videos, music, etc. for recreational purposes be allowed on the library computers.
- The media center can accommodate no more than FOUR students per class when sent without their classroom teachers.
- Please contact the library prior to sending students to make sure there is space available.
- When using computers in the media center, students must fill up the front row first and ask permission prior to using the back rows.
- Students are to ask permission of a librarian prior to printing. Once an item is printed, the student can come to the circulation desk and ask for his or her printed material.
- Students are limited to five black and white pages per day from the computers. An excess of five pages will result in a five cents charge for each additional page.
- Color copies are twenty five cents per page, per side. Ask permission first to avoid printing errors.
- Students are allowed to check out two books for two weeks. In order to renew a book, the student must have it in his or her possession at the time of renewal.
- If a student owes the library an overdue book or fine, they are not allowed to use the library resources such as books, computers, magazines, etc.
- Students are expected to pay for lost and damaged books. If at a later time the lost book is found and returned, the student will be reimbursed for the amount listed on the payment receipt.
- Magazines cannot be checked out by students and may only be read in the media center.

Parking

Students must enter and exit the school grounds using the King's Fork Farms subdivision road.

Students are not permitted to enter or exit school grounds during school hours via the main school driveway (across from the fire station).

Students who drive to school are to register their vehicles with the school administration. Cost of the parking decal is **\$50.00 per year or \$25.00 per semester** for a reserved parking space. Students will receive information regarding parking during

the first five days of school in their homerooms. All students who drive to school must park in their designated area. The police may cite students who park in unauthorized areas, for a parking violation. Vehicles should be parked so they do not block other vehicles or exits. Any student, while on school property, who drives in a reckless or unsafe manner which could cause damage or harm to pedestrians, vehicles, or school property, will be reported to the police. Students are forbidden to drive on the school lawn at any time. Upon arrival at school, students should park their vehicles in the appropriate area and enter the building without loitering in the parking lot. The parking areas are off limits to students at all times during the day except when they are arriving or departing. Students are not to enter their vehicles at any other time without permission from the administration. Students found in violation of these rules may have their driving privileges revoked and/or receive appropriate disciplinary action. **Student drivers who regularly arrive late to school risk having their driving privileges revoked. Any student driver arriving to school late will receive an unexcused tardy.**

If there is a change in vehicles resulting in the need for a new school parking decal, see the Main Office secretaries. Parking decals can be purchased in the front office throughout the school year. All vehicles must have a current registration card on file with the main office. Students who do not purchase a parking decal after being warned are subject to being towed at the owner's expense.

Participation in Extra-Events

Students who wish to run for class offices, Homecoming Court or prom court must have an overall GPA of at least 2.0 and not have an out-of-school suspension for the prior or current school year.

Physical Education/Driver's Education

***Note-New Driver's Education Requirement: Students must pass the Driver's Education portion of the course with a grade of 60% or better in order to receive the green card; which permits students to take the behind the wheel course required to get a VA driver's license.**

- Textbooks will be issued by the teacher for classroom use only.
- Students with medical excuses should see the school nurse upon arrival at school. The School Nurse will evaluate the student's medical condition and determine Physical Education participation ability. The school nurse will issue documentation detailing the students' Physical Education participation requirements. This document should be presented to the Physical Education teacher by the student at the beginning of class. Written assignments or other assignments will be given at the discretion of the teacher. Notes from home to excuse students from gym will not be accepted unless the school nurse has screened the student for the stated ailment. No student will be excused to see the nurse when he or she comes to the gym.
- In cases of cool weather, athletic wear may be worn *over* the PE uniform but students must first report to class in their PE uniform.

- Bringing valuables to the locker room is **strongly discouraged** due to locker design. The school is not responsible for any items left in the locker room.

Public Display of Affection

Students are not to show affection publicly on school grounds such as hugging, kissing and sitting on laps. Violations of the stated policy will result in disciplinary actions.

Schedule Changes

The change of class schedules is strongly discouraged and no changes will be made after **September 3, 2024** without prior approval by the principal. Class additions are highly unlikely due to the unavailability of additional class space.

To obtain a schedule change, a student must complete a request form from the Guidance Office where a parent or legal guardian and the administration must sign. **After September 3, 2024, students will not be allowed to add any courses. After this date, any courses dropped will be with a failing grade for the year.**

School Bus Regulations

The route that buses travel and the assigning of drivers to school buses is the responsibility of the Supervisor of Transportation. The school bus driver is responsible for the operation of the bus in a safe and efficient manner at all times, the maintenance of a time schedule, and the conduct of the children who ride the bus.

The administration is responsible for any disciplinary action taken with students whenever the bus driver finds it necessary to report pupil misconduct. Please be aware that riding the bus is a privilege and not a right. Rules that apply within the building will also apply on the bus. Repeated violations of school bus rules will result in suspension of bus privileges and could result in the student's removal from riding the bus for the remainder of the current school year. Bus drivers, with the assistance of the administration, will conduct emergency exit drills on the school bus.

SPECIAL NOTE

Students participating in athletic events must ride to and from the event via the mode of transportation provided and approved by the school and School Board. Any variations from this procedure must have prior written approval of the administration.

Tardy To Class

Any student who is not in the classroom at the tardy bell will be considered tardy and marked accordingly by their classroom teacher. All tardy students will report directly to their classroom. Once a student has accumulated three tardies in that class, including lunch, he/she will receive ISS and continued incidents of tardiness may result in more disciplinary action. Excessive tardies may result in out of school suspension.

At the beginning of the second semester (January 27, 2025), the tardy count will return to zero and the tardy count begins again for each student.

Tardy To School

Students should be in class at 8:20 a.m. daily. Students who arrive after 8:20 a.m. should sign in at the Kiosk (Reception Desk) to receive a tardy pass before reporting to class. If a student arrives on a late bus, he or she must receive a **Late Bus Pass** before reporting to class.

Failure to comply will result in disciplinary action. ***Unexcused tardies to school also count as a tardy to the student's first block class and will count toward appropriate disciplinary action. Students driving to school who are chronically tardy may have their driving privileges revoked. If you are late as a result of a driving related issue, students will receive an unexcused tardy.***

Telephones

A telephone in the main office is available for use by students. Students will not be called out of class to the telephone; nor should they leave class to make a telephone call. Only in an emergency situation will messages be delivered to students. If an emergency arises, students should inform a staff member to seek permission to go to the main office.

Testing Program

The testing schedule can be found in the main portion of the Suffolk Public Schools Handbook. It is imperative that students attend school during testing.

The Standards of Learning (SOL) was adopted by the State Board of Education in 1995. These standards define minimum instructional objectives for courses in Mathematics, Science, English and History. In addition, technology standards for students have been included. The standards are the basis for the accountability component of the State Board of Education's assessment and accreditation programs.

Advanced Placement Tests are given in May each year to those students who have enrolled in an Advanced Placement course throughout the school year. College credits and/or colleges may grant advanced standing to an individual as a result of AP test scores. Registration materials may be obtained from your counselor.

PSAT, SAT, and ACT: Registration materials may be obtained from your counselor.

Textbooks

All textbooks are issued to students for their use at no charge during the school year. Students are held responsible for their books and should handle them carefully, keep them clean, and keep them in their possession at all times. Please be sure that your

name and school year are written on the book label in case the book is misplaced. You will be required to pay for lost or damaged books. If a student needs to replace a book, he/she should come to the office and pay for the book and at that time a new book will be issued. Students will not be issued books to take home until all textbook debts have been settled. **In the event that a student withdraws from school for any reason, the student must return all books to the guidance department before any transcripts will be forwarded.**

Transcripts

All transcripts of high school grades should be requested through the Guidance Department.

Visitors

Visitors are welcome to our school. Visitors will have to present proof of identification when entering the building. Permission must be obtained from the Principal or his/her designee before visiting any area of the building. A teacher should not allow visitors to sit in on a class session without prior approval by the school's administration.

Teachers that have guest speakers for their classes should have those speakers pre-approved by an administrator. Guest speakers will not be permitted to come to the classrooms to speak; however, guest speakers will be allowed to address students in the auditorium or library..
